

FITZWILLIAM CRIME ALERTS

November 3, 2015

Suspicious Vehicle – There have been recent concerns of a suspicious van (color white – MA registration) parked on Royalston Road. The owner of this vehicle has been identified by the Police Department and is a subject that is bicycling on the railroad tracks.

Suspicious Subject – There have also been concerns about a male subject seen riding a bicycle on Fullam Hill Road and that he may have involvement with the recent thefts in the area. This subject has also been identified and has no involvement with these incidents.

Note: I realize that many Fitzwilliam residents use Facebook as a means of communicating, however the Fitzwilliam Police Department currently does not. We are occasionally informed of complaints expressed on Facebook but may not always receive this information. To ensure that your concerns are addressed please contact the Fitzwilliam Police at 603-585-6565 or email chief@fitzpolice.us.
