## Executive Summary

The University of New Hampshire Survey Center conducted a survey for the Town of Fitzwilliam. The specific areas of interest are the attitudes about the Town of Fitzwilliam and future planning initiatives for Fitzwilliam. Eighteen hundred and ninety-six (1896) surveys were mailed to all Fitzwilliam postal patrons and property owners on October 11, 2007 and a reminder was sent October 26, 2007. Four hundred seventy-five (475) Fitzwilliam residents responded to the survey between October 15 and November 30, 2007; the response rate is 25 percent which is a respectable rate for a survey of this type. The respondents to this survey are representative of the population on gender and age as compared with the 2000 census data for the Town of Fitzwilliam (this survey reflects an older sample which is typical of most mail surveys). The results of this survey can confidently be used to represent the larger population of Fitzwilliam residents.

The following figures display survey results, detailed tabular results can be found in Appendix A, Appendix B contains the open ended responses, and Appendix C contains the survey instrument.

### **Attitudes about Fitzwilliam**

*Fitzwilliam residents like the rural, small town country atmosphere but they do not like the high taxes or lack of technology such as cell service and high speed internet.*

- Cellular telephone service is poor many dropped calls need to install a cellular tower(s)
- No cell service and no high speed internet
- No cell phone service/broadband capabilities
- It seems there is an older population controlling the town and the town has a lot of young families that want to be involved and help the town grow
- Too far shopping and employment opportunities nepotism oh yeah! Old boys network
- Distance to drive for any services
- For some reason people seem to think that it is ok to throw garbage out of their car on quiet residential streets
- Having to travel for all need and lack of cell phone and internet
- Unusual amount of power the selectmen have and their autocratic rule. No cell coverage, no internet
- Development
- Want cell phone and cable
- No cell phone service, no services for the elderly
- High property taxes and lack of jobs, need more businesses
- High taxes

- There's nothing here, no stores, no doctors, no services
- High taxes
- Roads
- Too close to Massachusetts mrhs? Losing accreditation
- Mean guy at the town dump
- High taxes
- Taxes
- The traffic +split up nature of community no downtown
- Being on a highway that is noisy with motorcycles
- Increased traffic
- It's a half hour to groceries, movies ext. No high speed internet or cell phone coverage
- Town negative viewpoints on developing a small business in a light industrial zone
- "Flatlanders" come in and want to change town. School districts out of control
- Needs more atv trails open to the public
- Lack of follow through by town officials/employees
- No high-speed internet or cell service
- No stores and one high priced gas station, high taxes, fake evaluations
- No high speed internet
- Too many new houses, too much growth
- Petty harassment for simple land use issues. Rural. Animals and gardens, not just antiques! The roads.
- Poorly maintained mobile housing
- Taxes
- I find most people in town to be cold in no way do I find this town friendly
- Inability to get occupancy permit in a timely manner
- High taxes cut spending
- Not having a department store or grocery store in town
- Sending children out of town for high school
- Too fat to store
- Lack of controls on trail by motorized bikes
- High taxes
- The speeding of traffic on lower troy rd. It is difficult to walk without being run off the road.
- Employment
- To far to supermarkets, home supply and other retail stores
- Nothing
- Town seems to be dying-many homes for sale and businesses not doing well
- Their seeming desire to promote development of woodlands to as many houses as they can get in to be able to collect more money in taxes.
- Access road which serves 4 households near the Rindge line should be plowed by the town
- Far from family
- No public water and sewer
- Unfriendly people (very few)
- School taxes
- Houses being built on the main roads rather than cluster developments away from the roads
- Strip mall development that might happen along rt. 12. How many convenience stores do we need?
- No high speed internet, cell service
- Nothing to do nowhere to go
- Bud parker as selectman
- Taxes keep rising with nothing to warrant it
- No high speed internet!
- Rte 12/119 traffic
- No high speed internet, too far away from medical care and shopping
- No cell towers for phone service. Town planning department makes rules as they go along with no legal leg to stand on.
- Regulations-reputations-regulations
- Rob the treeman and the old guy at the dump
- Taxes
- The summer traffic

- Taxes- outerstaters moving in with high wishes
- The threat of new development, loss of rural/village character
- Nothing-my husband and I love it here
- Tax rate does not equate to service levels. Services are limited. School tax out of control. Taxes doubled in 4 years. Town limited development on rt. 12 commercial industrial zones. Why?
- Limited access to technology such as cable, cell phone service, and internet service.
- No control about heavy truck use on back roads (spring)
- The inn needs help, town office, hired jobs don't appear to be based solely on ability but on who you know
- No stuff for kids to do.
- Distance to go anywhere
- Lack of high speed internet and Verizon's lack of concern about it.
- Regional high school - we are planning to move because it's so bad. No public beach on laurel lake (well, not really), town bought fire truck it didn't need instead of better library, and lack of high speed internet.
- High real estate taxes
- Residential/commercial development
- The "new" multi-home developments with vinyl siding, no chimneys, taking open spaces, leveling trees, hurting aquifers, etc., and ultimately loss of rural character.
- Factional fighting over property values.
- Lack of cellular phone service and broadband internet, distance to grocery stores.
- Development on dirt roads and far from town center.
- High taxes
- We need high speed internet services available to all residents of our town.
- There seems to be some element of gossip and rumor in town, when particular issues arise instead of townspeople educating themselves with facts.
- Property taxes/school system excluding emersion
- Taxes
- Being too far away from everything.
- Town politics and selectman attitudes
- Tax rate - we need a state sales tax to help fund education and to reduce the burden on the taxpayers (property tax). The tourist dollars will help.
- Haphazard development along rt. 12 and losing historic "feel" of town.
- Lack of regulation on appearance of property, i.e., junk cars, clutter, etc.
- Don't know
- Have to travel miles to shop
- The selectmen send assessors to your homes to raise taxes for more than you can sell for.
- No high speed internet, broadband or cable, bus schedule to Monadnock regional.
- No cell towers and high speed internet.
- Ice in the winter.
- No internet, TV, phone options. Everything is limited.
- Behind times, cell towers, high speed internet, cable only so far.
- Speeding traffic on rte. 119w.
- High taxes, poor telecommunications.
- Having to drive to shopping.
- High taxes
- High property taxes
- Rapid building and low quality housing
- The taxes
- Don't live in Fitzwilliam
- High property taxes
- No village septic system, no cell phone service, no high speed internet
- A small cadre of people think they know best to the exclusion of the general will of the people (when they can)
- People wanting no progress
- No cell phone or high speed internet
- No sense of community - there are cliques - the haves and the have nots, the old and the young, the town and the rural, the campgrounds and the yr rounds
- Distance to medical services

- Taxes, further development
- A lot of in-breds and a lot of ignorant folk
- Development and lack of traffic speed enforcement
- Lack of commercial tax payers
- High taxes
- Development
- Taxes
- Very high taxes

- Too many houses develop
- Newcomers moving in and trying to tell people who have been here for generations how the town should be changed.
- NH tax based on property value!
- Not particularly friendly. Too cliquey.
- Lack of recreational places, no sidewalks around town to take a safe walk.
- Rte 119 going right through the common area.
- Transfer station - staff - somewhat better than years past.
- Need to increase funding for additional police staff (station is not always manned).
- Rules! Rules - noisy invasive historic nature/school elem resident.
- The taxes
- Somewhat isolated from retail services, but not far from easy access I must add; cities demand driving distances for personal needs!
- Bad cell service and internet service
- Property taxes too high
- High taxes
- High taxes!
- Property taxes
- Higher taxes
- Taxes
- Unorganized tax laws
- Taxes
- Having to drive everywhere, lack of employment opportunities, dial-up connections
- Must travel 1/2+ hr to go shopping for food or go to a restaurant, etc.

- Property taxes - police coverage
- New development
- Development
- Taxes!!! Property
- Traffic
- Liberals trying to create a "master plan"
- Not enough activities for our children
- The selectmen are holding the town back. Taxes are killing us - we can have a better life if you stop being pigheaded and begin embracing the future.
- Taxes
- High taxes
- Tax increases
- The selectmen that think the people at woodbrook camp (summer people) and tennis club have large pockets full of money - we need to remove ourselves from the town - could happen!
- Distance to medical care
- Employment opportunities
- Majority of newer residential lots are sold for low income. Putting money back into your home increases taxes too much. Preserve old homes, not tax for keeping them up.
- Politics

- Internet high speed availability
- High taxes
- No high-speed internet - intermittent cell service
- Very poor internet service from pine tree development on upper troy rd has changed animal sightings and patterns.
- Travel time for employees/available employees to work
- Isolation. A senior center would help. The rose baker sr. Center in gl, NH is a huge success. I teach sr yoga and tai chi there.
- Quality of the selectmen
- Taxes driven by development and subsequent need for services.
- Travel for conveniences and recreation
- Property tax
- Taxes - unfair - poor job of evaluation
- Travel to work, stores
- The fact that many people think that we need lots of commercial and residential development.
- High taxes
- N/a
- Paying the same taxes as everyone else, but not allowed to vote.
- No cable and high speed internet
- Vandalism and the rare feeling of isolation.
- High taxes
- The town offices and highway department. They need a big change.
- Increase of population would burden the town services.
- Development
- Taxes
- Too many convenience stores on rte 12 selling butts and beer.
- Lack of stores.
- Having to drive a distance for so many necessary services.
- High taxes
- Commuters speeding and littering
- People and groups that try to control individuals and living in Fitzwilliam (like this group doing this survey). Tax increase in last 7 years.
- No high-speed internet and high school needs much improvement. Taxes too high for services received.
- Lack of cultural opportunities
- Taxes
- Nothing
- Out of state residents coming into town and trying to change our small town.
- Boat ramp, laurel lake
- Taxes
- High taxes
- Taxes
- Unfair taxation. High taxes with few services in return.
- The odor of fiberglass from the flagpole co. Unkept properties.
- Fiscally reckless school district (and we are education supporters).
- Lack of enforcement of state and local zoning; dumping; lack of protection of ground water from dumping; town politics.
- Powerful and selfish special interest groups and the failure of town government to curb bureaucracy and serve the interest of all citizens equally.
- Patronizing attitudes of select board members and some town officials, negative attitudes toward school system.
- Development
- Taxes too high, not enough small shops in village, schools (middle & high) too distant.
- Nothing
- Taxes
- The cliques in town, too many older citizens, not enough younger families, not enough for kids.
- Junk, old cars, etc on some properties, neon and lighted signs
- Taxes too high

- High tax rate
- Tough to get hardware
- Bugs
- My neighbors tom and Sheila
- The high taxes and the unfair school assessments
- Taxes
- No high speed internet, no quality cell phone service
- Fitzwilliam selectmen
- That I am not there full time
- Taxes
- Taxes/base
- Lack of cell service/internet unless you pay a high price
- None
- Tax structure not equitable, need for improved communication, nasty hostile people at transfer station, poor cell phone reception; require better maintenance on non-town maintained roads. No affordable high speed internet.
- High property taxes
- Residential development
- School tax for each person living in Fitzwilliam. Food costs too much in kids' school.
- That the Fitzwilliam inn keeps failing, that there is a horrible excuse of a public beach, no health clinic, no fitness center
- Taxes and beaner pond in town
- The beaner pond in town
- High property taxes
- Nothing except taxes (school) are too high -- check out Sunapee
- Dining options are very limited
- Seeing inn closed, having businesses in homes, especially around village, cell towers, not having library open 6 days a week, no drop box in common/town hall area to put mail. Path to post office would be nice from village.
- Taxes
- No internet/cell phone service
- School tax for each person living in Fitzwilliam. Food costs too much in the kids' school.
- Tax rate
- Encroaching "civilization"
- I like everything about it
- Taxes

- The isolation
- Attitude at people who lived in the town forever, you are an outsider if not Fitzwilliam born
- Low speed internet
- School funding formula

- To much government intervention
- Cell phone service lacking
- No service in my area - none. Voters get nothing from the town (Woodbrook area)
- Improved codes for personal refuse/junk on property
- No internet and cell phones don't work
- Increased traffic and increased number of jet skis on laurel lake and unregulated development
- Poor cell phone and internet access
- Nothing
- Too much government intervention
- Too much government
- Cell phone service, slow internet
- Would like a tax service
- Condition and ownership of laurel lake boat launch
- No say in how my taxes are spent
- Slow internet
- Lack of public transportation. I.e. Train. Taxi and bus limited
- Increased traffic
- High property taxes!
- Too far from large city - no high speed internet
- Lack of comprehensive planning in the context of regional and state trends and a provincial town government that is reactive not proactive
- Loss of rural character, no high speed internet, taxes
- The increase in building new, large, expensive houses
- Lack of grocery store
- We have a summer camp and are taxed the same as residents year round
- Lack of technology (cell tower, internet)
- Property taxes!
- Not living there
- High property taxes
- Politics, gossip, polarization of citizens due to income, anti-children sentiments.

- Driving fair distance for shopping, cultural events, etc
- No DSL
- No DSL
- No cable on my road
- No DSL
- No DSL or high speed internet
- No retail, businesses available, no high speed internet, too much talk of conservation
- Taxes
- Monadnock regional school system lack of meaningful activities for teenagers
- No complaints

- Taxes
- Not a resident-yet
- No decent access to swimming
- Careless drivers on small roads
- Lack of supermarket
- The population that continually opposes supporting education of our children: however, this population wants support for elderly services. ?
- People who do not take care of their property, looks like a dump
- Taxes
- Snobbism! The "haves" making things difficult for the "have less"

**Q11o: How concerned are you about the following factors with regard to growth in Fitzwilliam?**

**Other – Specify**

---

- Taxes are high enough!

- Rt. 12 intersection
- Intersect 119 and 12 and at depot
- Junction of rte 119 and 12 needs a traffic light
- Fulham hill road, able road
- 12+119
- Yes, rt.12 - 119 needs a light
- All the roads a pretty decent.
- Angier rd/ Richmond road
- Need traffic light on intersection 119 and 12
- 119 and 12 need a red light. \*depot store parking obscures oncoming traffic\* many close calls
- Intersection of rte 12/119 - although state should be at least patrolled for speed.
- Lower Templeton turnpike
- Howeville road between east lake and sandy hollow road
- R12 and r119 intersection
- Intersection rt12 and 119
- The intersection of 119 and upper troy rd at Fitzwilliam inn.
- Upper troy road/lower troy road/route 119
- The area where upper troy, lower troy, Richmond and 119 converge is very dangerous. I would like to see a 4-way stop and better visibility when entering from lower troy into the intersection.
- Depot intersection
- Columbia rd/w lake rd
- Rts 12/119
- Intersection of rt 119 and rt 12, intersection of lower troy rd and rt 12
- We need "roundabout" at rts 12 and 119 intersection.
- Richmond rd and rhododendron rd.
- Rt. 12 near 119 crossing
- Intersection 119 and 12

- Rt. 12 and 119 intersection and Richmond rd. And rhododendron rd. Intersection going west. The view is bad.
- Rt. 12 and rt. 119 intersection.

- No
- Upper troy/lower troy/rte 119 intersection - very dangerous
- No
- Lower troy - upper troy & 119 corner
- Yes, rte 12 and rte 119, rte 119 west.
- Rt. 12 junction 119 needs more than a blinking light.
- Rt. 119 and rt. 12
- On Rockwood pond rd. - sign is 30, should be 20 mph. Horse riding and walkers, bicycle riding.
- Need signal at route 12 and 119.
- Rt. 12 and 119
- The speed of cars along rte 119 depot to Richmond road.
- Intersection of warren hill rd and fullam hill rd - many near misses due to drivers disregarding stop sign.
- Rt. 12/rt. 119 should be a rotary around red building. Mr. Mikes/Casey J's restaurant - hazardous because people drive out without stopping into an already busy intersection.
- North bound rt. 12 left turn onto rt. 119
- Gap mountain road crossing from lower troy rd across rt. 12 to remaining gap mt. Rd; speed limit of 50 mph on that area of rt. 12 is very dangerous for cars/vehicles and pedestrians. Light (traffic) should be placed at 119 and rt. 12 intersections.
- No
- No
- Rte 119 and rte 12
- Intersection of rte 12 and rte 119
- Rte 12 and 119 - traffic light at all times - not just "blinking" and stop signs.
- Not familiar with most roads in Fitzwilliam.
- Rt. 119 and rt. 12
- Rt. 119 and rt. 12
- Route 12 and 119 intersection, fullam hill (rt119) in winter

- Lower troy rd/upper troy rd and 119 intersections.
- Rt. 12 and 119
- No! Not when people obey already existing laws.
- Yes
- None - also, chief Newton (police) did a fine job. Thank you.
- Rt. 12 and 119

- Intersection of 119 and 12
- Yes. Rt12/119 intersection - needs to be monitored by police as a priority.
- Templeton turnpike rd in the winter/spring
- Route 12 at route 119
- A stop light needed on 12 and 119 corner
- No
- No. As a taxpayer, it's nice to see "tar and chip" pavement being used.
- Route 119 intersects rt. 12
- 119 & 12, traffic light only, no other work needed there.
- No
- Rte 119 and rte 12
- Route 12 and 119 that is a tough one.
- On rhododendron rd, a culvert opened in 2004. Our car dropped into hole and car of night (this is extremely difficult to read). Police totally ineffective. We hired help.
- Visibility of junction of west lake road and NH 119
- Rt. 12/119 and mini mart
- Templeton turnpike (gravel portion)
- 119 & 12
- Rt. 12 & 119 needs a real stoplight

- East lake rd, no lines on road, dangerous in fog
- No
- No
- No
- No
- No
- Intersection Richmond & rhododendron
- The intersection of rt. 119 and rt. 12 should have a regular traffic light. Too many accidents.
- Intersection 119 and 12, corner where Mr. Mikes is.
- Rt. 12 and 119 intersection, bridges near stone's mill.
- None that I know of
- 12 and 119
- Rt. 119&12 we need traffic lights or something more
- Roundabout at 12-119 intersection would help
- No
- N/a
- Rt. 119 and rt. 12
- East lake road, howeville headed toward sandy hollow
- Upper troy rd - lower troy rd - rt. 119 junction where two cars from opposite directions can collide with both having the right-of-way

- Intersection of rte 12 and rte119 perhaps a traffic light
- Junction of 12 and 119
- Rt. 119 and rt. 12/ Jaffrey rd cutoff; Richmond rd between rt. 100 and rhododendron rd.
- Rt. 12 and 119 - good location for roundabout
- No. Driving care and conditions always determine outcome
- Better lighting/reflectors for southbound turn off near Austin's for turn onto lower troy rd.
- 12 and 119
- Howeville rd
- No. Nice work.
- Rt. #119 and #12 intersection
- Rt. 12 & 119 intersection, east lake rd and howeville rd
- 12 & 119
- No
- Several have been fixed recently
- Rt. 12n and rt. 119, rt. 119 and road to state park
- Not that I am aware of.

- No
- No
- No
- Intersection of 119&12
- Route 12 & 119
- Intersection of rtes. 12 and 119, in front of Fitzwilliam inn.
- Rt. 12/119
- Not really. Rte 12/119 can be busy - just be patient. Vehicles coming so would have a rough time stopping when slippery.
- Route 119 and 12 intersection dangerous
- No
- Rts 119/12 - dangerous - needs a traffic light
- 12 and 119 needs a light and crosswalk. 119 and east lake rd - 119 should not have a stop but East Lake should - or a 4-way stop would work.
- Rt. 12 and 119
- Poor/broken guardrails at start of Jaffrey road.

- No stop at intersection of lower troy rd and Kingsman.

**Q29: Is there anything else you would like to share with the Town of Fitzwilliam?**

---

- I've noticed on house taxes gone up most of taxes are going to schools when there is nothing being done to the schools! And also I believe the senior citizens should get a break on school tax there kids are grown and gone why should they still pay so much?  
The town is short sited when it comes to controlling access to the old rail bed. You have no idea how many people usual to use this. It was a great place
- Maintaining small town character + historical perspective highly important!! Controlled development very important- confined to rt#12
- The state government needs to find another way to finance our schools that is fairer and takes the awful burden off the tax payers-especially the elderly
- Id like it to stay the same that is why I moved here. Cannot afford any higher taxes. All I want is faster internet service. Thank you
- Please open transfer station 1 evening per week
- Stop development of convenience and retail stores
- Beautiful town-taxes too high I have no children in school
- No
- Taxes are very unfair for seasonal property owners as we are the highest tax base in Fitzwilliam and get the least
- Junk yards and storage not good for rt. 12 taxes
- Police need to patrol more in rural areas
- We like the town it is. Development will ruin it. Growth will be inevitable, but must be sharply controlled and negotiated so that the rural character and open space remains
- I enjoy the town of Fitzwilliam and its small, friendly feeling however, I think that it should look at the town of Walpole, NH as a model for services (grocery stores, small retail store, and cell phone service) but not as large
- Fitzwilliam has great potential there are many young families who would love to be involved and help the town grow. If the older population would let go of some outdated philosophies of small town living.
- I would like to see zoning and developments laws applied to everyone with no exceptions
- Repeat question #10
- No new taxes
- The assessment process is a mess- I no longer trust that property owners are being treated fairly
- More police presence needed. No need for constantly purchasing police cruisers if they are never patrolling. Need to address high property taxes. People are moving because they can't afford them!
- Trash thrown on roads- disgusting
- The town needs more services and recreation. All we can do is sleep here. We must go somewhere else for everything else
- Will be voting soon+ I have to say the roads are a mess for such a small town
- We need a town beach. We love the library and staff. Too many questions dealing with open space... It seems a particular answer is wanted...
- The ski area is not a commonly busy area, maybe there is another use for this area!
- Need follow through from town officials/employees and a larger more advanced police dept
- Area @ transfer station designated for items that are "still good" for other to take. This is common in many other towns
- Change the school funding formula back to 100% enrollment or withdraw from sau 38
- I love Fitzwilliam, I love it being a small town, and I hate seeing all the new housing in Fitzwilliam. I used to know pretty much everyone in town, now I don't
- Waste too much money and resources on cemeteries. Need better prioritizing
- Enforce the signs at Mr. mikes- "no left turn"- town office is great! We enjoy living in the country and the small town atmosphere. Our neighbors are really neighbors!
- No
- Turn at all street lights. See p.d. more on back roads
- Too much money is being paid out to the town office people, especially the top paid person (her)
- For people that do not live here year round to mind their own business
- The traffic and speeding on lower troy rd. Is awful. Residents have difficulty getting out of their driveways. Maybe police dept should take a good look.
- The town can keep its rural nature and still supper a few good retail outfits i.e. supermarkets, home supply stores. DSL internet service badly needed
- I consider my property a little piece of earth that is in my acre. I hope that the town will consider it the same.
- I like Fitzwilliam. I would like to see cellular communication and a.t.v. trails

- Re-route rt-119 away from the common- probably south of the common. Develop senior housing. Speed limit for motor boats on ponds and lakes.
- Limit or stop rt. 12 development- its serves as the gateway into the town from north to south and thus effects all our property values
- Laurel lake beach, town beach, and boat ramp causes excessive trash and human waste in the woods. It is disgusting. The lake is now used as a toilet for people that are there all day. It should be closed or have facilities. Also excessive cigarette and food garbage left all over area.
- Lets keep the rural feel of Fitzwilliam while giving towns people something do and somewhere to go
- We really need high speed internet
- This is home; please keep its beauty and rural quality. And please support our schools. Our children matter.
- The small town atmosphere and feel are great. But there absolutely must be a step into current technology (hi speed internet) kids have trouble with school and businesses especially home based suffer. The library dues not offer convenient hours to use theirs, not do they have enough computers
- Town needs cell phone towers town voted for police tasers in march 2007 still haven't been purchased
- Too many regulations-difficult and costly to do anything-you have no rights as landowner
- It is a shame that often working hard all your life you can't afford to keep your home because of taxes. The seniors need some kind of relief
- Lower taxes please!
- Keep up the good work! We enjoy Fitzwilliam the way it is!
- Industrial development should be promoted in specific areas to increase local job base and reduce burden of high tax rate on residences. No frills housing should not cost 350-450 month in taxes
- Doing an excellent job of running the town. Keep it up.
- No no
- Excellent library services beautiful rural historic town good services
- Checking for non-residents clogging up the local beach. Sometimes there are so many people - locals can't use our own beach!
- Preserving rural setting/limit residential/commercial growth!
- Our natural wildlife, our aquifers need protecting, streams and ponds. Fitzwilliam is a great place to live. Also, please preserve the history, open land and rural character of Fitzwilliam.
- We need all building lots to collect a fee for town amenities, e.g., a 10 or thousand dollar fee on every new lot.
- Zoning/planning boards should encourage growth in center of town and discourage growth on large tracts of forested/field lands on outer reaches of town.
- Fire facility is adequate, but police facility is substandard. Should not have been combined on survey. Police need office and garage. Greatly need high speed internet and better cell phone coverage.
- Monitor the speed on rt. 119 by the town common and down toward the depot.
- We strongly feel that no development of the pinnacle and open slope should happen. The land should be preserved for town recreational use.
- Reminds me of the town I grew up in, which has since quadrupled in population and lost all sense of character, community, etc. Please keep the town like it is now!!
- The town needs to limit building to 3 acres, including contractors. Assess the homes for what they can get when they sell, not what the town needs for taxes. This town needs real business.
- Keep motorized vehicles and hunters off rail trail in spring-fall.
- Open a swap shed at the transfer station. Excessive reliance on property tax is an unfair and insufficient way to fund education.
- You have to do something about school taxes build our own!
- I also appreciate how quiet Fitzwilliam is. It would be nice if the taxes were less
- Because there are no sidewalks it's difficult to walk without feeling you will be run down by speeding traffic
- You should be proud of your granite and allow it to be sold!
- These surveys are great but - one should be sent per voter, not per household. Be kind to business and let them in on the rt. 12 side, especially a pharmacy.
- We need to secure the focal point of Fitzwilliam, the inn. By having it open and stay open, brings much revenue to the town. We should all buy stock in the inn and get good management in to run it for us stockholders.
- Concern regarding tax structure dependency (?) On lake properties.
- All seasons, but more in summer, auto traffic and pedestrian traffic around Lake Rd. Is heavy. Foot path or sidewalk is needed for pedestrians or bicycles. After dark and in snow it is very hard to see and maneuver around them.
- The taxes are way too high especially with falling home values.

- Please build a real skateboard park.
- Police - unresponsive - speed is only crime they can solve. Recreation needs new blood - same-o same-o.
- The long term employee at the transfer station is rude, unprofessional and abusive. Especially to seasonal residents.
- Part-time residents, those with lake property, farms, homes maintained should be recognized and able to vote on many local issues of concern to their tax contribution and general community and civic service. Goods and services are easily accessible beyond Fitzwilliam. The more development, the more services will be in demand! Tension and taxes will rise. Casinos in New Hampshire will make the education payment problem worse.
- No
- Town hall employees, who appear to work part time, are paid too much.
- High property tax for people in Woodbrook condos. We basically get nothing for our high taxes.
- Recognize and remediate the unfair tax burden on seasonal lake property owners!
- One glaring health and ascetic concern - is the messy dammed-up pond behind the b & b and Baptist church ch on rte 119 in the main part of town. I assume it's the EPA and "wetlands" fight, but can't something be done to clean it up? It offends tourists and residents.
- The town has revalued more frequently than required by law. Hope new leaders better than past that hired vision appraisal. Later thrown out.
- Town hall employees are paid too much for the hours they work.
- I don't feel that I can answer this questionnaire as I'm a resident of another town.
- Please look for ways to cut or reduce government spending and reduce the size of town government. Every business and family in America can cut their spending by 10% and the government should be challenged to do the same.
- I get none of your services - sewer/water, yet I pay tons of taxes. Bring in retail on rt. 12 - we cannot survive by remaining in middle ages - rt. 12 would be perfect - home depot - yes - brings down taxes. Think about it - you're killing our pocket book!
- The 4th generation of this family now comes to Fitzwilliam.
- We do not need any further development. You may visit but do not settle here. You are not wanted!!!!
- Need for recreation facilities for teens and teen programs.
- Be business friendly on taxes/services
- Anything that protects the town green and surrounding buildings is worth the cost.
- In general "you" are doing well!
- Cut tax
- Citizens of New Hampshire need to work for state sales tax to take burden from local real estate taxes.
- Your slogan is "live free or die". Why do we have to pay taxes on our camps, yet we are not allowed to vote.
- I think we have a fabulous "new" library. It is a pleasure to be a part of it and to see how the patronage has increased.
- The town fathers need to talk to town members more. Open up; let us know what you're doing.
- Very disappointed about the additional butt/beer store on rte 12. Poor urban planning.
- How can I answer these questions? We're hardly ever at camp.
- Love living in Fitzwilliam, but do not like the high taxes.
- The town belongs to everybody. Be very, very careful your group does not control the town.
- To all the implants in our town offices, this is not where you all came from. This is Fitzwilliam. Stop trying to change it. All you have to do is look over at Rindge.
- Lease on land too high
- Boat ramp needs repair
- Like your town and people
- The biggest thing was the way they outsourced the taxes assessment.
- I am a seasonal resident at Laurel Lake, but in Peterborough I have been a member of the master plan committee for a number of years. If I can be of service, please let me know. Jack Burnett, 924-2383 jckburnett@aol.com
- Increased development often means increased taxes, not a decrease in taxes. I have seen this happen elsewhere many times.
- We, as property/homeowners, should be allowed to participate and vote in town matters.
- Please do not allow large orange lights for commercial buildings, parking lots, etc. Please keep a.t.v.s. off the rail trails. Also encourage any new residential development to include sidewalks and a limited small (subsidized?) Grocery store with only a few parking spots.
- I love to spend 3-4 summer months in Fitzwilliam. I live in Florida.
- Town could be more friendly to Woodbrook members.
- If there is going to be a raise in my already high property tax - \$4k for an old house and 3 acres - fix the high school!!! Otherwise, leave the property tax alone!!
- People at the town offices are poor communicators and are incompetent in performing required services!

- The only services used by my seasonal cottage would be fire emergency and police and I would like to see the property tax pre-rated or a senior discount
- High property taxes will drive me and other low income people out of town
- Consistent equal and fair treatment by our town boards in applying the existing zoning will improve Fitzwilliam growth potential in the future
- Stop raising taxes arbitrarily
- I think the people in place are doing the best they can. Always room for improvement, but things could always be worse
- Property taxes are high enough to be a burden to anyone who lives in NH
- Being a summer resident, I would like to say it is a privilege to share this beautiful spot with the year round residents and support the general consensus of concern of them.
- Basically a wonderful town
- Seasonal residents from out of state
- Dredge Scott pond before it's too late!
- Some of these answers may be skewed because of the nature of the project
- Feel that the assessments on the smaller lots on Laurel Lake are unfair and the high taxes will force us out of our home some day. In favor of income tax and sales tax to spread the burden to all living in Fitzwilliam and NH
- I would like to see cable TV extended to include laurel lake properties.
- Own a camp on rented land.
- Remove current selectmen - get out of office.
- Make or allow Woodbrook to become over 55 and year round. I would like to retire there.
- Need to make recycling less onerous and transfer station more open. Good cell phone and affordable high speed internet are a must throughout entire town (including depot and lake area). Need to update technological skills of town staff. Fix broken dam at Laurel Lake or fine homeowner on whose property broken dam lies.
- Families have been seasonal residents for 26 years during that time to the present residents of "Woodbrook carp and tennis". We have never felt at home as year round residents look down their nose at us. Without the tax revenue coming out of Woodbrook, the town would be in trouble.
- Keep up the good work but reduce taxes if possible or at least keep them the same.
- Please lower the school tax per acre per land owner and the house. Plus - the food in school is too expensive. My girl and boy went to high school before you added the new school at the same time.
- Residential and commercial development should be directed to limited well-defined areas to protect character and limit the need for town water or sewer service.
- Code officers don't seem to be aware of oversized signs, also realtor signs up everywhere - why so many disregards for laws already on books in town, set backs on lots.
- Please lower the school tax per acre per land owner and the house. Plus the food in school is too expensive. My girl and boy went to the high school before or when you made the school growth.
- Wonderful place
- My wife and I love Fitzwilliam; however our tax bill is not so great we may have to sell our summer place
- Become a mecca for people who enjoy (or want to learn to enjoy) people-powered, nature-centered activities for recreation
- A sidewalk around the common to school down Richmond rd
- Keep rural
- See my number 9, I don't vote because I don't live in Fitzwilliam
- I am not opposed to growth, but would like to see that any future growth is planned within the town of Fitzwilliam and in conjunction with neighboring communities. Buffer zones of natural space should be used to conceal entrances to commercial, professional buildings, and residential communities in order to preserve the scenic and rural feel of the area. In conjunction with this, I would also like to see the adoption of small signage for commercial business entrances. This would especially pertain to the development along rt. #12 and 119. I would rather see the development of quality, cultural attractions, specifically stores and professional offices, similar to downtown Peterborough, rather than the development of large, national retail chains. (couldn't fit rest of what was on survey)
- We love Fitzwilliam, do not build parking lot by boat ramp at laurel lake
- My mother has been "camping" here since 1929 and her husband built a cottage on rented land in 1949 for his family. The 5th generation of our family is now enjoying the rural life, clean water of laurel lake
- I own a seasonal home, I am not a permanent resident
- Cell phone service and high speed internet - extremely high priority
- I don't think Fitzwilliam's year round residents care what seasonal residents would like. They just want our monies for schools, police, road work, etc.
- High speed internet and keep taxes down and pay per student, i.e. No students no taxes

- This is a wonderful place to live, but I'm afraid it may become too expensive to stay here - we need more fair (can't read word) for schools - how about larger elderly exemption?
- They need to lower property taxes for home owners
- We need a state income tax for education
- I would like to see a fenced in "dog park" area where residents can run their dogs off leash
- Keep population the same
- We pay the same taxes as anyone else and we can't vote, our streets are not plowed or maintained and we pay higher recreational fees than residents
- No
- Town fathers need to stop opposing school district expenses and being so vocal about their opinions. Let the taxpayers make the decisions.
- The town needs a swap shop and nicer people to manage the transfer station - hire new people.
- Could establish a "land bank" to help pay for farmland, forestland or conserve open spaces (add a "land bank" fee to sale/transfer of property to cover this) rather than increase property taxes!!
- Why does the police department purchase "specialist" low profile vehicles? For a town like Fitzwilliam, regular high visibility police is required. We don't have i495 running down the middle!
- We desperately need high speed internet
- Learn from other towns where development was encouraged; loss of rural character; school budgets will drive out the older population who have lived in town most of their lives
- Dislike paying larger taxes than Keene when I live in Fitzwilliam for half a year and yet receive no services
- Stop town government, services growth
- If troy is capable of high speed internet, why is Fitzwilliam so far behind?
- High-speed internet would be great
- Get away from the idea of preserving everything. Growth is good. We lose a lot of business to Keene and other towns, we have the traffic grasp it and abuse it.
- Pay to educate them now, or pay to incarcerate them later!

**QUESTIONNAIRE**

# FITZWILLIAM MASTER PLAN IMPLEMENTATION SURVEY

As part of the process of updating the Town of Fitzwilliam's Master Plan, the Fitzwilliam Planning Board is seeking your opinion. Please take a few minutes to share your views by completing this confidential survey. Circle the number that best represents your response. If you are not sure, or if a question does not apply to you, circle the "DK/NA" response. Your input is critical to this process and will help shape the future for Fitzwilliam. If your household has more than one adult that wishes to complete the survey or if you rent property and tenants would like a survey, please go to the Town Hall to request an additional copy.

The UNH Survey Center is compiling survey responses to ensure their confidentiality. Responses will be tabulated and a report of the results will be compiled and presented to the Town at a public meeting in early 2008. The results of this survey will help our elected and volunteer community leaders develop and prioritize the recommendations in the Master Plan.

**Please return your completed survey on or before November 15, 2007 so that your opinions can be included in the compiled results.** Simply close and tape together (do not staple) the completed survey so that the UNH Survey Center address is showing and place it in the mail. For your convenience return postage is prepaid. Should you have any questions or concerns, please feel free to email fitzlanduse@ptcnh.net or contact Sandra Gillis at 585-9119. Thank you in advance for your assistance and cooperation. We truly value your opinion.

Sincerely, **The Fitzwilliam Planning Board**
