## **JUNKYARD RENEWAL APPLICATION**

Pursuant to RSA 236:121, junkyard licenses expire on June 30<sup>th</sup> of each year. This renewal form must be filed a minimum of ten (10) working days prior to the expiration date to be considered for renewal. An application filed after expiration of the existing junkyard license shall be treated as an original application.

The renewal fee is \$100.00.

Existing Junkyard License: \_\_\_\_\_

Name on the license: \_\_\_\_\_

Property location: \_\_\_\_\_

This license will be renewed without a hearing if all of the following items are in place:

1. The applicant certifies it has not been convicted of larceny or of receiving stolen property during the license period.

Is any criminal action for larceny or receiving stolen property pending, or has any such action been threatened?

2. The applicant certifies that all of the conditions placed upon the grant of the original license have been met.

Has the applicant received any complaint, or has any notice been provided of a claimed violation of any condition of the license?

3. The applicant certifies that it is in compliance with best management practices established by the Department of Environmental Services, if the application deals with an automotive recycling yard or motor vehicle junkyard.

Has the applicant been notified of any aspect of the junkyard operation that fails to comply with the above noted best management practices?

4. At any time during the licensing period, did the area occupied by junk material:
  - Exceed by more than 10% the area occupied by junk on the date of the last license issued by the governing body? \_\_\_\_\_ If yes, explain :

- Exceed 10 feet in height? \_\_\_\_\_ If yes, explain:
- Lack screening from any highway, or from abutting premises, or lack security from unauthorized entry? \_\_\_\_\_ If yes, explain:

This application is not a license. Based upon the information contained in this application, the governing body reserves the right to:

- Refer the application to planning, zoning, code enforcement, fire and police officials for comment:
- Conduct appropriate investigations of the licensee or the junkyard location prior to the issuance of a renewed junkyard license including, but not limited to, the testing of surface and subsurface water for contamination by hazardous or toxic substances; and
- Schedule the matter for a hearing to obtain further information regarding the performance of the junkyard during the license period.
