NOTES

Paula Thompson Cuomo

1957 – 2015

Dedication

The Board of Selectmen was deeply saddened with the passing of Town Administrator Paula Thompson Cuomo. Paula passed away on March 13, 2015, surrounded by her loving family. She fought a courageous battle with cancer for many years. Paula worked in the Board of Selectmen's office for almost twenty years. She was extremely proud of obtaining a moose plate grant for the town, which funded the restoration of many of the benches in the upper hall. She was very dedicated to the town in her position as Town Administrator and guided our office and the town through many difficult situations; her intelligence, hard work and smile will be greatly missed.

Betty Gallup Miller

1915 – 2015

Dedication

This year's town report is dedicated to Elizabeth (Betty) Gallup Miller, who passed away on December 2, 2015 at the age of 100. Betty was born June 13, 1915 in Medford, Massachusetts, and descended from Captain John Gallop, for whom a Boston Harbor island is named. She grew up in Nutley, New Jersey, attended Wheaton College, and studied at the New York School of Interior Decoration. After marrying, she moved to the Gallup summer house at Laurel Lake where she had spent much of her childhood. She remained in Fitzwilliam from 1947 to 1960 and worked for many years as the mailroom supervisor at Miniature Precision Bearings in Keene. She then married Bing Miller and moved to Derry, where she worked at Darlene Sportswear in Manchester, and returned with Bing to Fitzwilliam in 1981. Betty belonged to the Fitzwilliam Garden Club and the Fitzwilliam Newsletter staff. She loved mystery novels, painting local landscapes in watercolor, gardening, swimming in Laurel Lake, the beach at Plum Island, and all the humor of life.

INDEPENDENT ACCOUNTANT'S COMPILATION REPORT

To the Board of Selectmen
Town of Fitzwilliam, New Hampshire

We have compiled the Form MS-5 of the Town of Fitzwilliam, New Hampshire as of and for the year ended December 31, 2015 included in the accompanying prescribed form. We have not audited or reviewed the financial statements included in the accompanying prescribed form and, accordingly, do not express an opinion or provide any assurance about whether the financial statements are in accordance with accounting principles generally accepted in the United States of America.

Management is responsible for the preparation and fair presentation of the financial statements included in the form prescribed by the New Hampshire Department of Revenue Administration in accordance with accounting principles generally accepted in the United States of America and for designing, implementing, and maintaining internal control relevant to the preparation and fair presentation of the financial statements.

Our responsibility is to conduct the compilation in accordance with Statements on Standards for Accounting and Review Services issued by the American Institute of Certified Public Accountants. The objective of a compilation is to assist management in presenting financial information in the form of financial statements without undertaking to obtain or provide any assurance that there are no material modifications that should be made to the financial statements.

The financial statements included in the accompanying prescribed form are presented in accordance with the requirements of the New Hampshire Department of Revenue Administration, and are not intended to be a presentation in accordance with accounting principles generally accepted in the United States of America.

This report is intended solely for the information and use of management, the Board of Selectmen) the New Hampshire Department of Revenue Administration, and is not intended to be and should not be used by anyone other than these specified parties.

2015 BOARD OF SELECTMEN REPORT

The Board of Selectmen would like to extend our appreciation and gratitude to all the employees, elected officials and volunteers that have served the town over the past year. Everyone plays a role in keeping the town running smoothly and without disruption year in and year out.

It was shortly following the 2015 Town Meeting that the town lost a valuable employee and citizen with the passing of Paula Thompson Cuomo. The loss of Mrs. Cuomo is still felt today within the halls of the Town Hall. The Board of Selectmen have filled the position with a professional and exceptional person with over 20 years of experience within our town Government and would like to thank Debbie Favreau for taking the position of Town Administrator and helping the town move forward. With the promotion of Mrs. Favreau, the town has hired Mrs. Sheryl White as the Board of Selectmen's Secretary, who has transitioned smoothly into the position. Mrs. Favreau and Mrs. White have taken on many challenges and forged new directions that have been immensely helpful for the Board of Selectmen and the Town of Fitzwilliam.

The buildings in town have received some needed TLC with a new roof both at the Public Safety Building and the Town Transfer Station. New garage doors at the Public Safety Building have helped with the heating of the building. The sagging floor in the Board of Selectmen's office has been raised and the Library roof has also been repaired. The Public Safety Building now has a beautiful sign marking the Police, Fire EMS and Emergency Management Departments. On the town common, we allowed Eversource to take down the large oak at the corner. In doing so, it is clear that we need a tree planting and overall plan for the two town commons.

The project of a Prime Wetlands Study, approved at the 2015 Town Meeting, is underway and will take another year to complete. The one thing for sure is we are a community with a lot of water. Approximately 20% of the town is classified as wetland, well above the state average of 10.5%. Of course, to many residents, this comes as no surprise.

As with every year the town has had some challenges. The biggest issue has been the proposed natural gas pipeline that will run through the community and our neighboring communities alike. The Board of Selectmen, in accordance with Article 6 of the 2014 Town Meeting, has pursued protecting the town in regard to the project. We joined the NH Municipal Pipeline Coalition of 14 towns in May, and made scoping comments at the FERC hearings in Nashua, Milford and Rindge. We have filed as a town for intervenor status with FERC in order to follow the application process more closely. This process will likely occupy a lot of time over the year 2016.

We finished 2015 in solid shape financially, with department heads doing a good job of staying within their budgets. The proposed 2016 budget is \$15,024 less than last year's total budget of \$2,420,866. The 2015 tax rate was \$26.71, down from \$27.50 in 2014.

The Board of Selectmen would like to encourage everyone and anyone to become involved in the serving on various boards either as an elected official or a volunteer. There are many boards and committees in town that are seeking members and if you would like to serve, please let the Board of Selectmen's office know.

Lastly, we would like to thank the citizens of Fitzwilliam who make the community a great place to live and work.

Board of Selectmen
Nancy Carney, Chair
Susan Silverman
Christopher Holman

2015 REPORT OF THE HIGHWAY DEPARTMENT

In 2015 the Fitzwilliam Highway Department continued road rebuilding around Laurel Lake. East Lake Road was ditched, had many rocks removed, brush cut, and then repaved from the Depot to White's Grove Road. West Lake Road was ground up and repaved from Rt. 119 to the bottom of Noble's Hill. Both projects were held up by a fire at the Asphalt Paving Plant. West Lake Road only received the two binder coats of pavement and another one inch of top coat will be placed on in 2016. Work on Templeton Turnpike was also started. Once again, rocks were removed, brush and trees were cut, and drainage was improved. Gravel was added to the roadway and this project will continue in 2016 as well.

We are now back up to full strength at the Highway Department with the hiring of Chris Silva. Chris came over to us from NH DOT and is a great addition to our crew. Our equipment is all in good shape, and during 2016 we were planning on purchasing a used truck to replace the 1978 Ford which is getting harder to find parts for. I found out about a good used truck for sale from the Town of Hancock which would fit our needs and was able to purchase it with funds from our 2015 budget, so that item was removed from our 2016 Budget.

So far, 2015- 2016 winter has been a bust for snow, but we seem to get more ice storms, which are more of a challenge and eat up more salt. Maybe the rest of the winter will produce more snow like last year, we will soon find out.

On March 13, 2015, our former Town Administrator, Paula Thompson, passed away and is missed by the entire Highway Department family. Paula was not only my wife, but part of the Highway Department family. She was always there to answer questions for the crew and help with any work related problems. Paula was the one that made sure that during the 2008 Ice Storm, all the workers had food to eat and warm dry socks, at least for me. She was so much more and we all miss her. We, in Fitzwilliam are lucky to have such great people working for us at the Town Hall. Debbie Favreau, our Town Administrator has taken on the role of helping me enter the computer age, as well as all the other things I need help with, and I am sure Paula is smiling down on her. Thank you Debbie and Sheryl for all of your assistance during 2015. I would also like to thank all of the people of Fitzwilliam who help make the job of the Fitzwilliam Highway Department a little easier. It is a pleasure to work for such a great Town.

Thank you,
Gene Cuomo, Road Agent

2015 REPORT OF THE FITZWILLIAM POLICE DEPARTMENT

The Fitzwilliam Police Department would like to thank the community for their continued support throughout this past year. People often ask me why I have been with the department for so long. The answer is simple, the people of this community and their respect for the department and its members. The job of a Police Department is to be there for the residents when they may need us. Over the past twenty years, I have noticed that the residents have always been there for the Police Department. Not all police departments have this relationship with their communities and we are very fortunate that we do.

At the recommendation of the 2013 MRI study, we have added two additional part-time officers to our staff. We welcomed Austin Fuller and Daniel Moore midyear. They have been enrolled in our Field Training Program and are scheduled to attend the Police Academy in February of 2016. The new hires joined our seasoned staff who continue to provide safety and security for our community. Many thanks to our team, Kevin Stone, Jeffry Clark, Deborah Boncal, George Cassidy, Joseph Filipi, Gene Cuomo, Warren Hall and Todd Prevett.

We held our second annual car show in July. This was another great success. This event appears to have established itself in our community, and will hopefully continue as an annual event here in Fitzwilliam. Not only does it give the community an opportunity to interact with our staff, it also allows us to bring other town departments and many volunteers together.

To help the community understand the Fitzwilliam Police department's services, our criminal case stats address motor vehicle activity along with an overview of the Calls For Service (CFS) are as follows:

2015 REPORT OF THE TRANSFER STATION

In 2015 the Transfer Station made some improvements to the buildings and grounds. The roof was replaced and the ceiling was insulated. The old insulation had gotten wet and was moldy, so it was removed and replaced with a greater amount of insulation. This keeps the building warmer and saves heating oil. The Highway Department started building a new brush burning area and will complete this project in the spring. This will help us burn the brush more often in a controlled area so it can be extinguished.

In 2016, we hope to repave the Transfer Station entrance and exit as well as some other areas. The pavement has been in need of repaving for many years. I hope you will support this Warrant Article.

Recycling continues to be a challenge, with prices going down on just about everything. I was able to find a new vendor that is getting the Town a better price on some of our recyclables, but the market is now a worldwide market and we have little control over what affects it. We have to always keep in mind, it is not so much how much money we make from our recyclables, but how much we keep out of our waste stream which saves us money. As we become a throw-away society, every little bit we can reuse or recycle is better for our planet, and as of this report, it's the only one we have.

Thank you,
Gene Cuomo, Road Agent

2015 FIREWARDS REPORT

2015 CALLS

The Fitzwilliam Fire Department responded to 399 calls from the period January 1, 2015 to December 31, 2015. This number of calls represents the largest amount of calls in history. Among the responses in 2015 were: two (2) structure fires, one (1) chimney fire, thirty-two (32) motor vehicle accidents, ten (10) brush fires/illegal burns and fifty-two (52) mutual aid fire related responses to nearby communities including, Troy, Rindge, Jaffrey, Richmond, Keene, Marlborough, Swanzey and New Ipswich, as well as Winchendon and Royalston Massachusetts. There were nineteen (19) automatic aid calls to the Town of Troy. There were twenty-five (25) automatic fire alarms and CO alarms, twelve (12) utility/wire related calls, and five (5) other calls for service. The department also responded to one hundred forty-eight (148) medical emergencies, and sixty-five (65) mutual aid medical calls to nearby communities including, Troy, Rindge, Richmond and Winchendon MA. There were also twenty-eight (28) public assist/lifeline calls.

PERSONNEL, TRAINING, AND EDUCATION

The department currently has twenty-three (23) active members. The department has seven (7) members who serve as fire personnel and two (2) as EMS personnel. Fourteen (14) members are both fire and EMS certified. There are fourteen (14) New Hampshire certified fire fighters. Seven (7) members have SCBA/PPE, five (5) members are certified at Level I, five (5) at Level II, two (2) at the Intro to FF III and two (2) at Level III. All personnel are certified with self-contained breathing apparatus and personal protective gear. Fourteen members are trained at the Hazmat Operations level, five (5) at the Decontamination level and one (1) at the Technician level for Hazardous Materials Response.

There are fifteen (15) members who are certified at various levels of Emergency Medical Services. Three (3) are certified at the Emergency Medical Responder level, seven (7) are Nationally Registered EMT's, one (1) at the Nationally Registered EMT-I (intermediate) level, and four (4) at the Advanced EMT level. Currently one (1) member is enrolled in a Paramedic course in Manchester. All active members on the department are required to maintain current CPR.

The department hired one (1) new member in 2015.

The Fitzwilliam, Royalston, MA, Richmond and Troy Fire Departments took part in quarterly training with FETC Training from Keene, NH. This combined training for collaborative training among neighboring communities that work within the mutual aid system.

Monthly trainings being held for both fire and EMS personnel continued throughout the year. Members also took part in refresher training for EMS courses, required every two years. Members also participated in courses offered throughout the state that included Emergency Vehicle Driver Training, Incident Command, Large Animal Rescue, Ice Rescue and other Fire, Rescue and EMS courses.

VEHICLES

The other inventory of vehicles includes the 2003 Pierce Contender pumper, the 2009 Mack tanker, 2009 Ford 350 Super Duty forestry truck, 1994 International Engine, and the 2013 Ford Ambulance. All of the vehicles are in good working order at this time.

FIREWARDS REPORT - continued

2016 BUDGET

We have presented fire and ambulance budgets that we feel meet the needs of the town and the basic needs of the fire and EMS personnel. The Fire Department Budget is \$4.00 more than the budget approved at the 2014 Town Meeting. There is also a request in the capital budget to place \$20,000.00 in the expendable trust fund for a replacement class A pumper to be purchased in the future. The ambulance-operating budget for 2016 is down slightly from the request in 2015. As this report is prepared, the Budget Committee and the Board of Selectmen are reviewing our proposals.

The department was able to replace the old Cardiac monitor with a new monitor through the kind bequest of funds made to the Fire, Rescue and EMS Association of Fitzwilliam, Inc. from Mr. and Mrs. Joseph Tardiff. The Cardiac Monitor was accepted into service by the Board of Selectmen and placed on the ambulance in October.

The Board of Firewards, officers and members of the fire department would like to thank the community for their continued support. Community members with questions about the fire department are encouraged to contact the Firewards and officers. The members are usually at the station on Wednesday evenings for meetings and trainings and for work details, anyone is encouraged to visit and learn more about fire and EMS services in town.

2015 REPORT OF THE LIBRARY DIRECTOR

Some Statistics from the Library

- 27,728 items checked out - 12 for each person in Fitzwilliam
- 203 Programs with total attendance of 1,830
- 834 people used library computers and 122 used our wireless in the building - plus many more outside!
- We borrowed 834 books from other libraries for our patrons and loaned out 656
- 2,124 audio and ebooks were downloaded to Fitzwilliam users
- We held 39 meetings in the Library

Highlights of the Library's Year, many thanks to the Friends of the Library!

- We inaugurated "The New Hampshire Room" in our beautiful front room. We feature our garden, craft, New Hampshire, Fitzwilliam and Audio Books there. It also makes a beautiful meeting place for our Coffee Hours and Stitch and Bitch meetings.
- Stone Wall Program with Kevin Gardener
- Numerous Jewelry Workshops with Lucy Humphrey- very popular!
- Mary Ann Mullett Art Show
- "Inside Russia Today" with Marina Forbes
- Summer Reading Program for toddlers, kids, teens and adults
- Susan Silverman Art Show
- Sebastian Lockwood in "Caesar from Venus"
- Getting started with Chickens
- Monthly film series
- Monthly book groups for kids and adults
- Art Party!
- Lego Club and Chess Club
- Spooktacular
- Preschool Storytime
- Weekly Stitch and Bitch
- Weekly Coffee Hour

One of the biggest initiatives of the year was the writing of a long-term plan for the Library. This is the first time the Library has compiled a comprehensive list of strengths and areas of improvement. We hope that printed copies will be available by Town Meeting.

In the building area, a new roof was put over the DVD area, which in the past has required hand-shoveling, and frequent repair.

Donna Hill and Jill Wixom continue to provide expert help at the checkout desk, and I would like to thank Donna for moving all the books in the New Hampshire Room, and Jill Wixom for integrating and moving all of the books in the fiction area.

2015 REPORT OF THE RECREATION DEPARTMENT

2015 has been another busy year for the Fitzwilliam Recreation Department. The 2015 Fitzwilliam Basketball Season led the programming with just over 50 participants. Kids who didn't want to play, but wanted to encourage their friends at each game, joined our new Cheer Program. Both activities were coordinated by Nicole Dubriske and many parent volunteers.

Let's Shoot Hoops, a basketball clinic for girls in grades 4-6th was offered for 6 weeks in the fall and instructed by Tony Miller. These clinics focused on the fundamentals of basketball, with the intent to strengthen players' skills and confidence while having fun.

Soccer was also offered to community children. Joe Higgins served as Soccer Coordinator. He organized over 100 kids ages pre-k through sixth grade in practices and games. The soccer snack shack was once again run by Emerson 6th graders who raised money for their annual Ferry Beach Ecology School field trip. The Recreation Department had some tree trimming done around the field to protect the fencing in preparation of the season.

The Recreation Department worked with the Friends of the Fitzwilliam Town Library to bring the 2nd Annual Spooktacular Fall Festival to Fitzwilliam. Over 80 locals came to press their own cider, make a fall craft, listen to a storyteller, join in the costume parade, and decorate the Common with ghosts for all to enjoy.

Yoga continued to be offered by the Recreation Department and instructed by Sharon Laflamme. Classes were held at Emerson School during the winter and spring sessions. After a summer break, Yoga was then held at the Fitzwilliam Town Hall on Monday evenings from 6:30-7:30.

A fall and spring session of Tai Chi, an exercise class for older adults, was available at the Meadowood Assembly Hall once a week for a 10-week session. This program was offered in conjunction with Home, Healthcare, Hospice, and Community Services.

Throughout the winter, the locals could skate on the community skating rink located at the Pole Barn recreation area on Rhododendron Road. The rink is a portable, seasonal structure that is built under the pavilion for shelter from the snow. The Recreation Department has a collection of skates available for borrowing. Although a Winter Carnival was planned for a Saturday in February, the New England weather didn't cooperate for the festivities.

To help beat the winter doldrums, the Rec offered a series of Friday Night Open Gyms at Emerson School. This was a great time for kids to play freely in a chaperoned environment. Kids played tag, basketball, did karaoke, and much more.

Mothers/Infants/Toddlers is a program designed for mothers/caregivers and their children (infants-toddlers) to get together for play and discussion. This group gathered biweekly, in the spring, for play and discussion on Friday mornings at the Fitzwilliam Community Church. After a summer break, meetings continued throughout the fall.

The 2015 Fitzwilliam Fishing Derby was held on Sunday, June 7th. The Fitzwilliam Fire Department provided lunch and members of the Fitzwilliam Police and Highway Departments were in attendance as well to help out. The catch totals were minimal this year, due in part to a resident otter! Prizes were had by all and generously donated by local businesses.

2015 marked the 25th Annual Charlie Wallace Memorial Road Race which was run Saturday, May 30th. Members of the Wallace family were in attendance. Perry Thomas, grandson of the late Charlie Wallace, won the race! Runners and spectators celebrated at the finish line with cake and prizes.

Once again, the 2015 Fitzwilliam Summer Recreation Program was a huge success. Jeremy Rathbun returned with a great group of Leaders who offered 45 Fitzwilliam kids a fun-filled summer. Six weeks of camp meant days of

RECREATION DEPARTMENT REPORT – continued

swimming, crafting, riding bikes, and playing games. Field trips included roller skating at Roll On America, swimming at Surry Beach, and kayaking at Kev's Kayaks. The campers also went to Skyzone and Canobie Lake Park.

The Recreation Commission meets the second Monday of each month at 7:00 p.m. Suggestions and feedback concerning our programming are always welcomed. Updates and activities are posted on the Fitzwilliam Recreation Facebook page and on the Town's website.

2015 CEMETERY REPORT

Burials in 2015:

There were 12 burials in the Fitzwilliam cemeteries in 2015. Eight of the burials were cremation interments and there were four full burials. The percentage of cremation interments versus full burials is consistent with our recent history and follows the national trends. We have full burial lots (which can also have cremation interments) and cremation only lots available for purchase in the Pine Grove Cemetery.

Recurring Work:

Mowing and trimming continued as usual with a work crew of two individuals. The mowing schedule was driven by the amount of (or lack of) rainfall this year which was very inconsistent. As we have seen in the past few years, the trees, particularly the oaks, have retained their leaves much later each fall with the last of them finally falling in early November. Thus, the fall cleanup again started later than we would like to see.

Equipment Issues:

The Hustler zero turn mower completed its fifth full year of use with several extended maintenance periods when it was not available due to parts availability problems for the Honda engine. Tires and some chassis parts were replaced this year due to routine wear. The Hustler is our only zero turn mower since the Gravely was retired two years ago.

One new backpack blower was purchased prior to the fall cleanup season. All other power equipment is in good running condition and has been lubed and cleaned for the winter storage.

Trees and New Plantings:

We did not remove any large trees this year at the Village Cemetery but did remove one very large pine at the Pine Grove Cemetery that was a potential hazard. We have also identified at least one additional tree at Pine Grove that needs to be removed in 2016. We do not remove any trees unless there is a compelling reason for the removal.

Tree trimming was performed at both cemeteries and major trimming to a tree at Pine Grove removed damage that we believe could be the result of a lightning strike.

One new tree was planted at Pine Grove in the expansion area. We hope to continue planting trees as funds allow.

Cemetery personnel trimmed and shaped plantings on the lots at both cemeteries as usual to manage growth and appearance. Several large plantings that had deteriorated were removed by cemetery personnel at the request of the lot holders.

Grass and Leveling:

We continued to reseed some areas this year to improve the appearance of the grounds. As usual, we made two applications of lime at Pine Grove and used fertilizer in some areas which helps to maintain and improve the grass health. We still have numerous areas that need more extensive help so this is an ongoing project.

We did not fill and level any sunken areas this year at the Village Cemetery but plan to continue this work in the future as time and funds allow.

Projects:

Weather, time, manpower and budget limitations continue to limit some of the project work in the cemeteries but we did make progress.

CEMETERY REPORT - CONTINUED

Sunken memorial stones and lot markers were raised but there are numerous more that need attention. These stones sink into the ground over time and grass begins to grow over them, and if not corrected, they will disappear from view. Prior to a burial, the Sexton ensures that the stones on the family lot are also cleaned to present a better appearance at the services.

One of the major projects that had great progress this year was the leveling of the large granite curbing in the Village Cemetery. This was possible thanks to the additional funds that we requested and received in the 2015 budget for the purchase of a large tripod and chain hoist. This equipment enabled our two person crew to safely raise and level the heavy curbing.

This work is not just for appearance reasons, since this curbing also retains soil and fill in place, establishes lot boundaries, and most importantly, have many memorial stones located on their top surfaces. As the angle of the curbing increases from the horizontal plane, the memorial stones begin to tilt further from the vertical and eventually tip over or in some cases actually break off from the curbing.

Although this work may not be obvious to some people unless they are very familiar with the cemetery, the outcome will have a long term positive effect on the grounds and memorial stones. This work will continue as time and manpower allows.

Warrant Articles:

Pine Grove Capital Reserve Fund – We have requested a Warrant Article to change the definition of the existing capital reserve fund to allow the purchase of maintenance equipment for use in the cemetery.

Document Preservation Fund – We requested a Warrant Article to fund Phase Three (of three) for the project to preserve and copy the old cemetery records. During the prior phases, several ledgers and a number of the old maps were sent out to a preservation company for work to stabilize the paper (reduce acid content), repair pages as needed, remove old tape, rebind and recover the books, and place the maps in mylar protective holders.

During this work, each document is scanned and the image file is placed on a disk so that the information can be accessed on a computer. Please note that this is NOT the same as digitizing the records and placing the information into a searchable database. The image files are scans of the document in a PDF format that is NOT searchable. The goal of the project is to preserve the information for future use and minimize deterioration of the documents. The originals are now stored in the Town Hall vault for safekeeping.

2015 REPORT OF THE TOWN CLERK

It was business as usual in 2015. 3,818 motor vehicle transactions were processed (compared to 3,776 in 2014) of that 338 were by E-Reg, 711 dogs were licensed (compared to 746 in 2014) and 1 election was hosted.

Revenue collected in the office increased by \$40,948.19. Total revenue collected in the Clerk's office was \$417,177.89 (compared to \$376,229.70 in 2014), the majority of which was for motor vehicle registrations.

The Town Election and Meeting was held March 10th. 377 ballots were cast during the election (18 by absentee), which figures to a 23% voter turnout. The number of voters at the opening of the polls equaled 1,637 and increased to 1,648 by the closing of the polls. Town meeting was opened at 7:16 p.m. and adjourned by 8:28 p.m. Eighteen articles were discussed and voted on during that time.

In September the town had to change to VPN to be able to continue to act as an agent of the State for motor vehicle transactions. I would like to thank Debbie Favreau, Town Administrator and Richard Macomber, the town's IT professional, for their cooperation and hard work which made the transfer a success. The service to the residents was never disrupted and the transition was seamless! In addition to changing to VPN the office went on what the State refers to as "the printer project". Although this change had little effect on the process of registration it does deflect some of the costs from the State back to the Town.

With the advancements in technology and changes in procedure and laws, the office continues to get more and more efficient. However, there are times, because of said technology, the efficiency is diminished. Your cooperation and patience is greatly appreciated. Our goal is to make your visit to the Clerk's office as pleasant as possible.

Heidi L. Wood, Town Clerk

2015 REPORT OF THE PLANNING BOARD

The first duty of the Planning Board is to prepare and amend a master plan to guide the development of the municipality. Planning Board regulatory duties include the review and approval of all subdivisions, boundary line adjustments, voluntary mergers and site plan review applications for commercial uses or multi-family residences. The Planning Board may recommend to the local legislative body amendments of the zoning ordinance.

On March 10, 2015 voters approved four proposed amendments recommended by the Planning Board; two amending the blasting ordinance and two the livestock keeping ordinance. This year, 2016, the Planning Board is recommending a new commercial and industrial noise ordinance aimed at protecting residents from exposure to excessive noises emitted from commercial and industrial development by regulating noise levels and sound quality. Following two changes made by the state legislature in 2015, which resulted in increased local authority over specific mining operations, the Board recommended amending the existing, but never implemented, mining ordinance passed in 2014. The amendment will allow certain mining operations in districts where it was prohibited in the past. This change will assure that the Planning Board can exercise local site plan review authority over these operations.

In the course of 2015, the Planning Board chairman and members were active in a coalition of southern NH towns seeking to stop a natural gas pipeline from being built through our town. Their work has included advocacy for policies that will protect property rights, the natural environment, the rural character of the town, and the health and welfare of our residents; communicating with our state and federal legislators; writing letters and attending meetings.

To further this goal the Planning Board amended the Site Plan Review regulations to include comprehensive regulation of large scale heavy construction for projects that cause disturbance of 3 acres or more, including construction of infrastructure, utility and distribution facilities.

During 2015, the Board conducted 12 preliminary consultations regarding proposed new businesses in Town, and 9 public hearings, one of which continues in 2016.

The Planning Board values input from Town residents and welcomes you to attend meetings; and encourages interested volunteers to serve on the Board as members or alternates. The Planning Board meets on the first and third Tuesdays of the month at 7:00 p.m. in the Town Hall. All meetings are open to the public.

2015 REPORT OF THE ZONING BOARD OF ADJUSTMENT

The Zoning Board of Adjustment hears appeals for relief from zoning ordinance requirements. The Board considers the unique circumstances of each case and decides to grant relief, if warranted, based on specific criteria. They consider the impact of the proposed action on the neighborhood and the land, and whether it is in harmony with the purpose and intent of the zoning ordinance. The Board can't change zoning ordinances but is empowered to grant appeals in accordance with State Statute and local law as specified in the Land Use Code.

The Board considers appeals for Variances, Special Exceptions and Equitable Waivers of Dimensional Requirements, Appeals of Administrative Decisions and Motions for re-hearings.

During 2015 the Board of Adjustment deliberated on six cases:

1. Granted a Special Exception to expand a daycare center to allow more than 6 children in daycare at any one time located in the General Business District.
2. Granted a Variance to construct a new dwelling and remove an existing dwelling on property located in the Wetlands Protection District.
3. Granted a Special Exception to open a café within an existing business in the Village Center Business District.
4. Granted a Special Exception to build a two car garage with an accessory dwelling located in the Residential District.
5. One application for a variance was withdrawn by the property owner following the first hearing.

The Zoning Board of Adjustment meets the second Tuesday of the month, when they have an application before them. The Board invites and encourages all interested parties to attend hearings and meetings as noticed.

2015 REPORT OF THE HISTORIC DISTRICT COMMISSION

The mission of the Historic District Commission is to preserve structures and places of historic and architectural value; preserve a district in the municipality that reflects elements of its cultural, social, economic, political and architectural history; conserve property values; foster civic beauty; and maintain the existing architecture of the district. The Commission reviews all exterior construction located within the Historic District of Fitzwilliam through an application process and public meetings. They are also responsible for amendments to and adoption of regulations in accordance with State statutes.

In 2015, the Historic District Commissioners met six times and used the design guidelines to review eleven applications including: exterior modifications and repairs for residences, solar panel installation, roof replacement, signage, opening a new business, and the Library alcove roof replacement.

Applications for all exterior changes within the Historic District must come before the Commission for consideration and approval. The Commission meets on the second Thursday of each month at 4:00 p.m. in the Town Hall when there is a case before it. All meetings are open to the public and we encourage participation from all those interested.

2015 REPORT OF THE CONSERVATION COMMISSION

The Fitzwilliam Conservation Commission continues its mission to protect the natural resources of the town.

Our work in 2015 began with the drafting of a motion to oppose the NED gas pipeline, proposed to run approximately 5.8 miles through Fitzwilliam. We filed a resolution with FERC, Governor Hassan, and state representatives, and have attended and spoken at numerous pipeline meetings and discussions throughout the year. We participated with a coalition of conservation commissions from communities along the proposed route who compiled and submitted to government officials a large volume of environmental concerns for the scoping process. We met with the Selectmen and the Southwest Region Planning Commission regarding the proposal, and continue to discuss and keep apprised of the latest happenings in this important matter.

We continue to maintain, monitor, and promote usage of our town's conservation areas. We have signed the conservation easement for the southern portion of the Katie Metzger Town Forest and worked with Selectmen to resolve a boundary issue uncovered by our surveyor at that property. We also reworked a new KMTF stewardship plan to better address the town's conservation goals after rejecting an earlier version of the plan that we found inadequate.

This year we officially added the former Menard lot to the Widow Gage Town Forest conservation easement, kept the kiosk stocked with trail maps and a box with a guest book, and increased our online presence. We hosted a trail clean-up event and reviewed the existing WGTF management plan. We participated in the Recreation Department's annual Winter Carnival with a morning hike led by member Hiel Lindquist. In March, we sponsored a general wetlands presentation by ecologist Jeff Littleton, as well as a wildlife tracking walk at the KMTF, where participants observed signs of fishers, grey fox, and bobcats.

We are working with Selectmen on the Prime Wetlands Project, for which voters appropriated \$15,000 last year. We have co-hosted three public presentations about this project by environmental scientist, Dr. Rick Van de Poll and ask your continued involvement in the coming year. If approved by voters, a Primary Wetlands designation could strengthen protection for some of Fitzwilliam's most valued wetlands. The Commission also hosted a vernal pool presentation by the Harris Center and is exploring having a volunteer-based survey of vernal pools on conservation easement lands in the Spring.

Our Open Space sub-committee has completed its final mailing to property owners who may wish to conserve special properties. Our Commission maintains representation on the Monadnock Advisory Committee, the NH Association of Conservation Commissions and Monadnock Conservancy. Over the year, members of our Commission have participated in one site walk and attended two conferences. We contributed \$500 to the Northeast Wilderness Trust in honor of the late Fred Slavic and his wife, Rosalind, now of Keene. Both were long-standing former members of the Commission; their beloved forest is slated to become a wildlife and wilderness sanctuary.

The Conservation Commission continues to operate on a bare bones budget and appreciates your support and volunteerism. Our meetings are held in the lower meeting room of the Town Hall every third Monday of the month at 7 p.m. Please join us if you have any questions, suggestions or concerns about how we can conserve Fitzwilliam's natural beauty and resources. You may email us at fitzconservation@gmail.com.

2015 REPORT OF THE CODE ENFORCEMENT OFFICE

The Code Enforcement office enforces regulations of the Fitzwilliam Land Use Codes, issues permits for construction, and occupancy permits for new home occupation after completion of construction.

Upon receipt of a written complaint, the Code Enforcement Officer performs an investigation, ensures compliance of construction permits to applicable zoning requirements, dedicates Emergency 911 numbers; and reviews all construction permit applications and plans. This review ensures safety from fire, flood and establishes that all other public requirements are met. Once a permit has been granted, the Code Enforcement Officer visits the property prior to the start of construction to determine that all setback requirements have been adhered to.

If you should have any questions with regard to permitting for construction please contact the Land Use Office to obtain a copy of the Construction Permit regulations. Please remember that all construction, renovation, demolition and changes to buildings require a permit. We have seen an increase of construction being completed in town without first obtaining a building permit approval. It is always best to check with our office prior to construction to determine if a permit is required. When applying for a permit, please remember to allow yourself enough time for the paperwork to be processed prior to the start date of construction.

In 2015, 61 construction permits were issued, with only two issued for new single-family dwellings. If you should have any questions with regard to building issues, please feel free to contact the Land Use Office at 585-9119.

Respectfully submitted,

Code Enforcement Officer

2015 REPORT OF THE ANIMAL CONTROL OFFICER

2015 was a relatively busy year for animal calls. There were calls for assistance ranging from dog complaints to crowing roosters and two stray Llamas. There were also several calls for wild animals such as skunks, bats, foxes, woodchucks, and raccoons.

This year there were calls for service for Moose and Deer vs. motor vehicle accidents as well as two dogs and three domestic cats killed by motor vehicles. It is important to keep dogs either tied, on a leash or under voice control at all times for everyone's safety and it is the law.

Please remember that you should contact the Police department for any animal complaints by calling 585-6565.

I would like to thank everyone in the community for their assistance and support this year.

In 2015 there were 91 calls for service:

- Dogs registered in Fitzwilliam
- Dog calls which include going to the Humane Society in Swanzey
- Cat calls also include going to the Humane Society in Swanzey
- Dog Bites
- Cases investigated for possible animal abuse

Respectfully submitted,

Warren S. Hall, Jr.
Animal Control Officer

2015 Report of the Economic Committee

The Economic Committee printed and distributed the third edition of the Fitzwilliam Business Brochure. This is available on the town website www.fitzwilliam-nh.gov under Boards and Commissions, Economic Committee. You may also find the brochure at businesses throughout town. In addition to business listing, the brochure also lists local attractions and includes a small map of the town. We have distributed the brochure to attendees of the NH Governor's Conference in Keene last May and attendees of the Fitzwilliam Annual Antiques Show in July. The online version will be updated periodically so if you have a business to add, let us know. Please contact us at fitzeconomic@fitzwilliam-nh.gov to be included or if you are a local business and would like some copies for distribution. The next printing will be in 2017. There is no fee to be listed, the funds for design and printing are provided by the Board of Selectmen.

There is now a Notice Board in front of the Town Hall for posting events and information for townspeople and visitors. Please see Debbie Favreau if you have an event or news you would like to post.

We are planning quarterly gatherings of business owners in 2016. The first event is taking place at The Flip Side Grille, on February 8th at 6:00 p.m. The topic is using social media to promote your business and the importance of having a web presence. Guest speakers are Melanie Patterson, a business coach with Heart Centered and Profitable and Robin Snow of CharlesWorks web design.

We thank Steve Swallow for his service on the committee over the past few years. Steve moved out of Fitzwilliam, we wish him well on his next adventure. We welcome Clare Rose Howard of Covey House and Fedor Berndt of Car Guyz as new committee members.

Many residents and Fitzwilliam business owners have attended our meetings and we welcome your input and suggestions. The more input, the better. We are looking for one member and two alternates to join our committee. We meet at the Town Hall in the lower meeting room on the first Monday of the month at 7:00 p.m. Everyone is welcome.

**HOME HEALTHCARE, HOSPICE AND COMMUNITY SERVICES
REPORT TO THE TOWN OF FITZWILLIAM
JANUARY 1, 2015 TO DECEMBER 31, 2015**

ANNUAL REPORT

In 2015, Home Healthcare, Hospice and Community Services (HCS) continued to provide home care and community services to the residents of Fitzwilliam. The following information represents HCS's activities in your community over the past twelve months.

SERVICE REPORT

SERVICES OFFERED

SERVICES PROVIDED

Nursing	854 Visits
Physical Therapy	273 Visits
Occupational Therapy	42 Visits
Medical Social Worker	109 Visits
Outreach	9 Visits
Home Health Aide	351 Visits
Chronic Care	1,792 Hours
Healthy Starts	18 Hours
Meals-On-Wheels	2,092 Meals
Total Unduplicated Residents Served: 85	

Hospice services, geriatric care management and regularly scheduled "Nurse Is In" clinics are also available to residents.

FINANCIAL REPORT

The actual cost of all services provided in 2015 with all funding sources is projected to be \$416,070.00.

These services have been supported to the greatest extent possible by Medicare, Medicaid, other insurances, grants and patient fees. Services that were not covered by other funding have been supported by your town.

For 2016 we request an appropriation of \$2,040.00 to continue to be available for home care services and an appropriation of \$1,255.00 for the Meals-On-Wheels program.

For information about services, residents may call (603) 352-2253 or 1-800-541-4145, or visit www.HCSservices.org.

Thank you for your support of home care services.

2015 SOUTHWESTERN COMMUNITY SERVICES

\$196,412.26 - Direct Assistance to Fitzwilliam Residents

451 - Total Units of Service Provided in Fitzwilliam

\$435.50 – Average Benefit per Unit of Service

First and foremost, Southwestern Community Services would like to thank the citizens of Fitzwilliam for your support. With the Town of Fitzwilliam's support, southwestern Community Services provides assistance to residents through transitional housing and emergency shelter programs, workforce and senior rental housing, education and child-care, nutrition and health, energy conservation, utility programs, day and employment services for developmentally disabled individuals, and workforce development for clients and dislocated workers.

SCS now requests 1% of the amount of direct support that SCS invested into that community in the previous program year. This means that from year to year the amount of the town funding requests will change. For example, if next year Fitzwilliam sees a decrease in the amount of direct support that SCS provides, Fitzwilliam will also see a decrease in the amount of funding that SCS requests from the town.

We look forward to future cooperation between SCS and Fitzwilliam. We always welcome visitors and encourage you to stop by our offices in Keene or Claremont for a tour and to further discuss the services we are able to offer.

2015 REPORT OF THE MONADNOCK ADVISORY COMMISSION

The Monadnock Advisory Commission was created by State Statute and is charged to advise and guide the Department of Resources and Economic Development on the management of lands on Monadnock, Gap and Little Monadnock Mountains. State law allows the Commission to accept tax deductible donations. MAC is a primary source for search and rescue supplies and equipment.

At MAC meetings held on February 5th and November 12th at the Jaffrey Civic Center, State Park Manager, Elizabeth Kintz, reported on attendance and income, trail conditions and upkeep. Phil Bryce, Director of Parks, informed us of plans for improvements to Park infrastructure. Peter Palmiotto, Antioch University, gave updates on the MERE Project (Monadnock Ecological Research & Education Project). Carrie Deegan, SPNHF, reported on the 10th Annual Trail week projects completed and how the 2014 Trails Assessment guided the focus.

During last winter's heavy snow season, much of the Park staff's time was spent cleaning up from the previous storm, preparing for the next, and making sure hikers were prepared for the conditions.

Mid-April saw a visitation increase as the winter's snow melted. As the weather improved, the high use trend continued through the summer, into the fall and all the way through the end of the year. Columbus Day weekend saw some of the highest visitation numbers in the park's history. The three staffed trailheads (Head-Quarters, Gilson Pond Area and the Old Toll Road) saw over 8,000 visitors over the course of the weekend. The year's attendance at those same trailheads totaled 120,000. Fees paid via Iron Rangers at the unmanned trailheads Dublin and Marlborough indicate nearly 700 additional hikers.

The Monadnock State Park staff responded to 21 search & rescues requiring a total of 241 staff hours (the longest taking over 12 hours to resolve). Some of these calls required coordination with NH Fish & Game, DHART, Jaffrey-Rindge Memorial Ambulance Service, Jaffrey Fire & Rescue, area Police Departments, and other rescue organizations.

Commission Members:
Robin Haynes Blais, Chairman - Fitzwilliam
Heil Lundquist - Fitzwilliam
Ed Germain - Dublin
Sterling Abrams - Dublin
Ann Royce - Jaffrey
John Smith - Jaffrey
Polly Pattison - Marlborough
Dan Rogalski - Marlborough
David Adams - Troy
Donald Upton - Troy
Phil Bryce, Director of Parks
Ken Desmarais, Forests & Lands
Carrie Deegan, SPNHF
Elizabeth Kintz, State Park Manager

2015 REPORT OF NORTHEAST RESOURCE RECOVERY ASSOCIATION

"Partnering to make recycling strong through economic and environmentally sound solutions"

Dear NRRA Member,

As a member of Northeast Resource Recovery Association (NRRA), your community has access to all the services of this first in the nation, 35-year old recycling cooperative. Your member-driven organization provides you with:

- Up-to-date **Technical Assistance** in waste reduction and recycling including solid waste contract negotiations;
- **Cooperative Marketing** to maximize pricing and **Cooperative Purchasing** to minimize costs;
- Current **Market Conditions** and Latest **Recycling Trends, both regionally and nationwide;**
- **Innovative Programs** (i.e. Dual Stream, Consolidation and Single Stream);
- **Educational and Networking Opportunities** through our Annual Recycling Conference, our Monthly "Full of Scrap" email news, monthly Marketing meetings, **members' only website**, workshops and Fall Facility Tours;
- **School Recycling Club** - a program to assist schools to promote or advance their recycling efforts;
- **NH DES Continuing Ed Credits;**
- **NH the Beautiful Signs, Grants, Bins and Recyclemobiles.**

NRRA membership has grown to include more than 400 municipalities, businesses and individuals in New Hampshire, Vermont, Massachusetts, Connecticut and Maine. NRRA, as a non-profit organization, is unique in that we do not charge a "brokerage fee" or work to maximize profit gains, but rather has a minimal "Co-op" Fee" which is re-invested to further your recycling programs and solid waste reduction efforts in schools and municipalities.

Through your continued support and dedication, NRRA has assisted our members to recycle over 63,573 tons in fiscal year 2014-2015!

Please contact NRRA at 800-223-0150 / 603-736-4401 or visit our website at www.nrra.net

Annual Report from Executive Councilor David Wheeler

It is an honor to serve the thirty-three communities of District 5 as a member of the New Hampshire Executive Council. The five councilors work with the Governor to ensure taxpayer's money is spent wisely, state government runs efficiently, and the most qualified individuals are hired to fill executive branch and judicial positions.

New Hampshire's unique form of government with all its checks and balances is the first and last of its kind in the nation. In 2015, we held 24 Governor and Executive Council meetings where approximately 1,000 items were considered for approval with an estimated dollar amount of over 6 billion dollars.

During the summer months, the Governor and Council meetings are conducted in various communities throughout the state. This summer, official meetings were held in Cornish, Dover, Manchester, Mason, Newport and Portsmouth. The Council held many public hearings and confirmed 3 judicial positions for the Circuit Court, and 2 for the Superior Court as well as confirmed Commissioners for the Department of Transportation, Department of Administrative Services, Department of Information Technology and the Public Utilities Commission. In addition we attended several information sessions on the State's Managed Care Health plan.

The Councilors also held meetings throughout each Council District to gain input from the regional planning committees for the State's Ten Year Highway Plan. In December we forwarded our final draft to the Governor for review who will then forward it to the legislature for review and funding.

The Governor and Council, under Article 50 of the State Constitution, called for a Special Legislative Session to address the heroin and opioid epidemic that is facing our state. A special study committee will present their findings and recommendations to the full legislative body in January.

I have attended many public events on the proposed high- pressure natural gas transmission line that would run through many towns in Council District Five. Speaking against this project will continue to be a high priority for me in 2016.

Sincerely,

David K Wheeler
Executive Councilor

(Not Recommended by the Planning Board)

Moderator Prigge called the business session of the Town Meeting to order at 7:16pm. Moderator Prigge lead the assembly in the Pledge of Allegiance. Reverend Lynda Tolton read a blessing. Moderator Prigge reviewed the procedure of Town Meeting. Moderator Prigge stated that initial votes will be voice votes but if necessary voter cards will be used, which were distributed at check-in.

Selectman Carney moved that the entire warrant not be read; Martin Nolan 2nd. Motion passed in the affirmative.

ARTICLE 7. To hear and act upon the reports of Agents, Committees and Officers, heretofore chosen.

Selectman Carney moved the passage of the article as written; motion 2nd. Selectman Carney noted that the 2014 Annual report was dedicated to Jim Ayers. She shared several stories about Mr. Ayers. Selectman Carney recognized Paula Thompson-Cuomo, Town Administrator, who retired in February after almost 20 years of service to the Town. She also recognized Debbie Favreau, acting Town Administrator, for all her hard work and stepping up. Selectman Carney thanked all the board members, department heads, volunteers and elected officials for their service and time.

Passed in the affirmative.

ARTICLE 8. To see if the Town of Fitzwilliam will adopt the following resolution regarding the proposed Tennessee Gas Pipeline Company LLC project (the Northeast Energy Direct Project "Project") to construct and operate a 30-36 inch design capacity high pressure natural gas pipeline through the Town of Fitzwilliam projected to be co-located with a Public Service Company of New Hampshire (PSNH), now known as Eversource high voltage power transmission corridor, to wit:

Whereas, because of the adverse impacts construction, operation and maintenance of the Project will have on the Town of Fitzwilliam, its historic, rural character and aesthetics; the threat the project poses to Town surface waters, groundwater aquifers, wetlands, lakes, ponds, rivers and streams; the threat of contamination of Town water supplies and the water wells of Town citizens; the threat to Town recreational and conservation areas; the threat of the taking Town and private property by eminent domain; and the threat to the economic well-being and tax base of the Town and to the property values of property owners; the threat to the health and safety of the Town residents and property posed by a large capacity high pressure gas pipeline carrying flammable liquid natural gas in close proximity to high voltage power transmission lines; and,

Whereas, the Project violates the carefully crafted letter and spirit of the 2012 Fitzwilliam New Hampshire Master Plan which bears the theme: "Growth is inevitable and desirable, but the destruction of community character is not. The

question is not whether your part of the world is going to change. The question is how"; and,

Whereas, the Project violates the carefully crafted provisions of the Town of Fitzwilliam Planning and Zoning Ordinances; and,

Whereas, the Project, because the preemptive effect of Chapter RSA 162-H, Energy Facility Evaluation, Siting, Construction and Operation, violates the inherent right of the people of the Town of Fitzwilliam to govern their own community, including, without limitation, the rights guaranteed by Article 1 of the New Hampshire Constitution-Bill of Rights that all government of right originates from the people, is founded in consent, and is instituted for the general good; and

Whereas, the people of the Town of Fitzwilliam find that the construction of the Project violates the rights of the people of the Town of Fitzwilliam, their environment and neighborhoods by threatening their health, safety and welfare; and,

Whereas, by the adoption of this Warrant, the voters of the Town of Fitzwilliam direct the Board of Selectmen to challenge the Project in such judicial, legislative and administrative bodies, both federal and state, as have jurisdiction over the project because:

1. Construction, operation and maintenance of the Project will include drilling, blasting, rock crushing and excavation using heavy equipment and trucks, causing the contamination of surface and ground water from blasting emulsions and compounds; air contamination from dust and debris; and air contamination from diesel exhaust from crushers, heavy equipment and trucks; and,
2. Construction, operation and maintenance of the Project threatens injury and damage to the health and safety of Town residents and their property because of the proximity of a large high pressure gas pipeline carrying flammable natural gas to high voltage power transmission lines; and,
3. Operation and maintenance of the Project threatens injury and damage to wildlife and indigenous plants and trees because of the use of herbicides and poisons in the pipeline right of way both from air born transmission and from leaching into surface and ground waters; and,
4. Construction, operation and maintenance of the Project threatens injury and damage to the irreplaceable historical and rural character of the Town and aesthetics of the Town, in violation of the letter and spirit of the 2012 Fitzwilliam Master Plan, and Town Planning and Zoning Ordinances; and,
5. Construction, operation and maintenance of the Project threatens adverse impacts on Town lakes, rivers, streams, brooks, estuaries, wetlands, surface and ground waters; and,
6. Construction, operation and maintenance of the Project threatens adverse impacts to Town forest lands, recreational and conservation areas; and,
7. Construction, operation and maintenance of the Project will require the involuntary taking of Town property by the pipeline company, including precious conservation and recreation property, by eminent domain in violation of Article 12- a of the New Hampshire Constitution the provision that property cannot be taken for private use; and,
8. Construction, operation and maintenance of the Project will require the involuntary taking of private property by the pipeline company by eminent

domain in violation of Article 12-a of the New Hampshire Constitution the provision that property cannot be taken for private use; and,

9. Construction, operation and maintenance of the Project threatens the economic well-being and aggregate tax base of the Town.

Therefore, be it resolved that the Town of Fitzwilliam, acting through its Board of Selectmen, shall undertake such action as necessary to protect the Town of Fitzwilliam from the threat to the Town of Fitzwilliam's right to govern the conduct of projects within its borders and to protect the Town and its residents from the adverse impacts of the Project in such judicial, legislative and administrative bodies, both federal and state, as have jurisdiction in the matter, or take any action thereon.

Selectman Silverman moved the passage of the article as written; motion 2nd. Selectman Silverman stated that the Board of Selectmen prepared this article and believes it is an important first step to protect the Town from the Project. She emphasized that this does not mean the Project will not happen but will give the tools to work on protecting the Town. This gives the Town an advantage and sends the message about the Town's position. M. Buonomono stated that it is a very narrow article and actually names a company; what keeps another company from coming and doing same project. Silverman explained the Board has worked with an attorney to create the article and specific language within the article and trusts their expertise. Silverman stated this is most likely going to be a long process and this is the first step. She continued to say that any legal action would be very expensive but the Town has been contacted by "PLAN" different municipalities to share legal costs. Also, SWRPC is working to coordinate the joining of municipalities. The Town is not in this alone; regional impact. M. Nolan stated that broadening the scope may have an adverse impact. Broadening to say, for example, no pipeline at all, would mean cannot have any line of any nature come through town even if wanted. It was noted from the audience that the final paragraph of the article gives the Board of Selectmen the authority to do what they can to stop this Project and that's what the Town wants.

Passed in the affirmative (to a round of applause).

Selectman Silverman moved to not reconsider the article; motion 2nd.

Motion passed in the affirmative.

ARTICLE 9. To see if the town will vote to raise and appropriate the Budget Committee recommended sum of 1,953,591 for general municipal operations, or take any action thereon. The Selectmen recommend 1,964,088. NOTE: This warrant article (operating budget) does not include appropriations voted in any other warrant articles.

Budget Chairman Hagstrom moved the article as written; motion 2nd.

*P. Wahling moved to amend the Selectmen's stipend from \$5000.00 annually to \$3000.00 annually. Amendment 2nd. Wahling gave Moderator Prigge the amendment in writing. G. Heald spoke in appreciation of the Selectmen and stated he believes the stipend should remain at \$5000.00. Moderator Prigge called for a motion on the amended article. P. Wahling moved; motion 2nd. Amendment **failed**.*

Moderator returned to original vote on budget of \$1,953,591. Moved and 2nd. Passed in the affirmative.

ARTICLE 10. To see if the town will vote to raise and appropriate the sum of \$325,000 to be added to the Roads Repair and Maintenance Expendable Trust Fund created by ARTICLE #8 of the 2011 Town Meeting, or take any action thereon. (Recommended by Budget Committee, Recommended by Board of Selectmen)

Road Agent Cuomo moved the article as written; 2nd. There was no discussion on this article.

Passed in the affirmative.

ARTICLE 11. To see if the town will vote to raise and appropriate the sum of \$7,500 to be added to the Capital Reserve Fund created by ARTICLE # XVIII of the 1986 Annual Meeting for the purchase of Highway Department Equipment, or take any action thereon. (Recommended by Budget Committee, Recommended by Board of Selectmen)

Road Agent Cuomo moved the article as written; 2nd. A. Rickheit asked if this money was in anticipation of purchasing specific capital equipment. G. Cuomo stated that it was to be used to replace a sander but he found one and has already purchased this equipment. This is to basically return the funds withdrawn. G. Cuomo stated he does not anticipate any purchases at this time.

Passed in the affirmative.

ARTICLE 12. To see if the town will vote to raise and appropriate the sum of \$10,500 to be added to the Town Buildings Maintenance and Repair Expendable Trust Fund created by ARTICLE #24 of the 2005 Annual Town Meeting, or take any action thereon. (The selectmen proposed the following projects for 2014: replacing handicap ramp, sign in front of Public Safety Building, redoing the Honor Roll on Town Hall, refinishing floors on left side of Town Hall, and any other projects as needed) (Recommended by Budget Committee, Recommended by Board of Selectmen) Moderator Prigge noted 2014 should read 2015.

Selectman C. Holman moved the article as amended to read "the following projects for 2015"; 2nd. Selectman Holman explained that the funds are basically used to keep town buildings in good repair. Selectman Holman gave examples of the projects in 2014. There was no further discussion.

Passed as amended in the affirmative.

ARTICLE 13. To see if the town will vote to raise and appropriate the sum of \$10,000 to be added to the Revaluation Capital Reserve Fund created by ARTICLE #17 of the 1995 Annual Meeting, or take any action thereon. (Recommended by Budget Committee, Recommended by Board of Selectmen)

Selectman Silverman moved the article as written; 2nd. Selectman Silverman explained that the Town has a contract with Avitar Associates of NE for assessing and the state requires a town wide sales study every 5 years. Fitzwilliam's is due to be completed in 2017. These funds are being set aside to save towards the study.

Passed in the affirmative.

ARTICLE 14. To see if the town will vote to raise and appropriate the sum of \$5,000 to create digital and duplicate sets of Cemetery records and archive same, for all town cemetery records, to be non-lapsing for up to two years, or take any action thereon. Note: this is the second phase of a three phase project.
(Recommended by Budget Committee, Not Recommended by Board of Selectmen)

G. Mattson moved the article as written; 2nd. A. Rickheit asked why the Board of Selectmen were not supporting the article. Selectman Silverman explained that the Budget Committee and the Board of Selectmen do not always agree during the budget process. She stated that the Selectmen looked at the bottom line of the warrant and looked for areas that could be reduced or postponed. The digitizing of records, although important, could be postponed. Selectman Silverman also said that it had recently been brought to the Boards attention that grants are available for such work and they would like to pursue that. It was commented from the audience that the project won't be any cheaper next year and that the effect on the overall budget was minimal.

Passed in the affirmative.

ARTICLE 15. To see if the town will vote to raise and appropriate the sum of \$10,000 to be added to the Capital Reserve Fund created by ARTICLE # 11 of the 1969 Annual Meeting for the purchase of a fire department vehicle, or take any action thereon. (Not Recommended by Budget Committee, Recommended by Board of Selectmen)

W. Hall moved the article as written; 2nd. J. Hogan asked why the Budget Committee was not supporting the article. N. Carney said that the Budget Committee looked at the bottom line and thought that since the fire department had purchased a truck the addition to CRF could be skipped in 2015. M. Nolan stated he believes the overall budget is too high but he cannot see where major cuts could be made without effecting services. This savings can be postponed.

Voted in the negative. Article failed.

ARTICLE 16. . To see if the town will vote to raise and appropriate the sum of \$15,000 to complete a Prime Wetlands Study, said appropriation to be Non Lapsing up to three years, or take any action thereon. (Recommended by Budget Committee, Recommended by Board of Selectmen)

Selectman Silverman moved the article as written; 2nd. Selectman Silverman reviewed why the Board of Selectmen recommended the article; protect watershed. Silverman said that she believes the bodies of water in town are very precious to the residents. She stated that if the article passes the Board would be seeking proposals and that they would also be looking for active participation from residents. A. Rickheit said the article reads to complete a Prime wetlands study; is there a partial study. Silverman stated the town has the Natural Resources Inventory.

Passed in the affirmative.

ARTICLE 17. To see if the town will vote to raise and appropriate the sum of \$50,000 to replace the roof at the Public Safety Building, or take any action

thereon. (Recommended by Budget Committee, Recommended by Board of Selectmen)

Selectman Holman moved the article as written; 2nd. Selectman Holman explained experiencing major leaks.

Passed in the affirmative.

ARTICLE 18. To see if the town will vote to raise and appropriate the sum of \$29,100 to purchase Tax Map 21 Lot 35-01 from the State of NH subject to the following conditions; parking remain open to the public, storm water BMP's are followed to avoid storm water runoff into the lake as the result of at least a 1-inch storm event; a forested buffer near the road is maintained and DES permits are obtained if needed, or take any action thereon. (Recommended by Budget Committee, Recommended by Board of Selectmen)

T. Silverman moved the article as written; 2nd. T. Silverman explained this is 2nd phase of boat ramp project. This would help control development. It is 1.54ac. across East Lake Rd. from boat ramp. A. Rickheit stated this is presently State land. Town does not want the State to sell to private party. The State has given Town first option.

Passed in the affirmative.

ARTICLE 19. To see if the town will vote to raise and appropriate the sum of \$5,175 to repair the Library roof and interior water damage, or take any action thereon. (Recommended by Budget Committee, Recommended by Board of Selectmen)

N. Noyes moved the article as written; 2nd. There was no discussion on this article.

Passed in the affirmative.

ARTICLE 20. To see if the town will vote to raise and appropriate the sum of \$5,000 to create an Expendable Trust Fund under the provisions of RSA 31:19a, for the purpose of fire vehicle and equipment repairs, and further name the Board of Selectmen as agents to expend from said fund in the best interest of the town, or take any action thereon. (Recommended by Budget Committee, Recommended by Board of Selectmen)

W. Hall moved the article as written; 2nd. Selectman Carney explained this is at the suggestion of the Board of Selectmen. Fire equipment/truck repair can be very expensive and this helps to save a little at a time instead of incurring a major expense. Can be saved in smaller amounts.

Passed in the affirmative.

ARTICLE 21. (By Petition) To see if the town will vote to raise and appropriate the sum of \$5,000 to be added to the Conservation Land Expendable Trust Fund created by Article #19 of the 2005 Annual Town Meeting. (Not recommended by Budget Committee, Not Recommended by Board of Selectmen)

P. Kotila moved the article as written; 2nd. Kotila explained that they were just notified that an anonymous donor will add \$2,000.00 if articles passes. Kotila stated that the current balance of fund is approximately \$12,400.00 and the Conservation Commission would like to start adding to fund again. He stated they have made good use of the funds in the past.

Passed in the affirmative.

ARTICLE 22. To see if the Town will vote to completely discontinue a portion of the width of Church Street, Pleasant Street and Perry Road, as shown on a plan entitled "Highway Layout of Church Street, Pleasant Street and Perry Road" with the result of leaving all three streets with a width of two rods; and further, to clarify the legal status of that portion of Pleasant Street that boundaries Tax Map 29 Lot 13, Tax Map 29 Lot 14, Tax Map 29 Lot 15 and Tax Map 29 Lot 16, which has been dedicated to public use by all landowners abutting thereto, by accepting the said portion of the said road, as a Class V highway, with the location and width as shown on the said plan, or take any action thereon.

Selectman Silverman moved clarification of Article 22: To see if the Town will vote to completely discontinue a portion of the width of Church Street, Pleasant Street and Perry Road, as shown on a plan entitled "Highway Layout of Church Street, Pleasant Street and Perry Road" **dated January 30, 2015** with the result leaving all three streets with a **variable** width; and further, to clarify the legal status of that portion of Pleasant Street that boundaries Tax Map 29 Lot 13, Tax Map 29 Lot 14, Tax Map 29 Lot 15 and Tax Map 29 Lot 16, which has been dedicated to public use by all landowners abutting thereto, by accepting the said portion of the said road, as a Class V highway, with the location and width as shown on the said plan, or take any action thereon.

S. Silverman moved the article as amended; 2nd. Selectman Silverman explained that homes/garages/structures are within Town ROW. The owners are not able to even repair what they have because of setback regulations. This article reflects what actually exists. The travel portion will remain as it is. There was no discussion.

Passed in the affirmative.

ARTICLE 23. To see if the Town will vote the change the elected term of Plante Memorial Park Commissioners from a one year term to three year staggered terms, or take any action thereon.

Selectman Holman moved the article as written; 2nd. Selectman Holman stated that this is basically "housekeeping" to make this office more consistent with other offices.

Passed in the affirmative.

ARTICLE 24. Resolved that the state of New Hampshire provide a comprehensive meaningful system of funding for state education needs. To see if the Town will vote to ask our governor and our state legislators to reform state funding for education with that reform to be directed to significant reduction of property taxes. The record of the vote approving this article shall be transmitted by written notice from the Selectmen Board to the governor and state

legislators informing them of the instructions from their constituents within 30 days of the vote, or take any action thereon. (This article is non-binding)

Selectman Carney moved the article as written; 2nd. A. Rickheit questioned if there was some specific legislative proposal. Selectman Carney stated the Board received a request from State Rep. to add this article.

*Passed in the **affirmative**.*

Motion to adjourn; motion 2nd.
Meeting adjourned at 8:28pm.

Respectfully submitted,

Heidi L. Wood
Town Clerk

RESTORATION OF INVOLUNTARILY MERGED LOTS

RSA 674-39-aa

NOTICE

If you own real estate lots that were involuntarily merged by municipal action, you may be able to have those lots restored to their pre-merger status.

Your property may qualify if two or more lots were merged for zoning, assessing, or taxation purposes and the merger occurred:

- During your ownership, without your consent; or
- Prior to your ownership, if no previous owner consented to the merger.

To restore your property to pre-merger status, you must:

- Make a request to the local governing body
- No later than December 31, 2016.

Once restored:

- Your properties will once again become separate lots; however, they must still conform to applicable land use ordinances. Restoration does not cure non-conformity.

Read the full statute at [RSA 674:39-aa Restoration of Involuntarily Merged Lots.](#)

2016
WARRANT
AND
BUDGET
For the
TOWN OF FITZWILLIAM

**THE STATE OF NEW HAMPSHIRE
TOWN OF FITZWILLIAM
TOWN WARRANT 2016**

To the inhabitants of the Town of Fitzwilliam, in the County of Cheshire, in said State of New Hampshire, qualified to vote in town affairs, you are hereby notified to meet at the Town Hall in said Fitzwilliam on Tuesday, the 8th of March next between eleven (11:00) o'clock in the forenoon and seven (7:00) o'clock in the afternoon to act on issues required to be voted on by ballot (Articles 1 through 3) and to meet at seven (7:00) in the afternoon to act on the business matters of the Town (Articles 4 through 19). The polls will be open on ballot issues not later than 11:00 a.m. and close not earlier than 7:00 p.m., or such later time as shall be authorized by a vote of the Town.

ARTICLE 1. To bring in your votes for the election of one Selectman for three years; one Moderator for two years; one Fireward for three years; two Budget Committee Members for three years; one Trustee of the Trust Funds for three years; Two Trustees of the Library for three years; one Cemetery Trustee for three years; two Planning Board members for three years; one Planning Board member for one year; one Commissioners of Plante Memorial Park for one year, one Commissioners of Plante Memorial Park for two years, one Commissioners of Plante Memorial Park for three years; one Supervisor of the Checklist for six years.

ARTICLE 2. To see if the Town will vote to amend the Town Zoning Ordinance to include the following commercial and industrial noise ordinance, which applies only to commercial and industrial development noise generated by operating equipment and devices that can be detected by the human ear on another property. Commercial and industrial development includes all facilities used for commerce, manufacturing of good, transportation of goods or materials, office use, generation and bulk transmission of energy resources and provision of services.

The following noise sources are specifically excluded from this ordinance:

1. Residential properties, including a home business on the residential property;
2. Agricultural uses;
3. Forestry uses;
4. Vehicle backup alarms and safety alarms, emergency equipment;
5. Short term incidental noise (snow removal, lawn mowing);
6. Excavation at licensed gravel pits;
7. Residential construction (when constructed at the permanent site of the residence).

Compliance noise measurements will be the financial responsibility of the project owner and shall be independently performed by a qualified professional when directed by the Board of Selectmen or their agents, the Planning Board or the Zoning Board.

Baseline decibel levels are specified in the ordinance, as are maximum decibel levels for AM and PM commercial and industrial noise.

Yes No
(Recommended by the Planning Board.)

ARTICLE 3. To see if the Town will vote to amend the Table of Principal Uses, Section 127-8, General Uses, paragraph G. by allowing mining by Conditional Use Permit in three additional zoning districts: the Residential, Rural and Village Center Business Districts. Both major and minor mining projects shall require a Conditional Use Permit (CUP) and approval by the Planning Board as described in Chapter 209 of the Code of the Town of Fitzwilliam.

Yes No
(Recommended by the Planning Board.)

ARTICLE 4. To hear and act upon the reports of Agents, Committees and Officers, heretofore chosen.

ARTICLE 5. To see if the town will vote to raise and appropriate the Budget Committee recommended sum of \$1,902,342 for general municipal operations, or take any action thereon. The Selectmen recommend \$1,898,742. NOTE: This warrant article (operating budget) does not include appropriations voted in any other warrant articles.

ARTICLE 6. To see if the town will vote to raise and appropriate the sum of \$300,000 to be added to the Roads Repair and Maintenance Expendable Trust Fund created by ARTICLE #8 of the 2011 Town Meeting, or take any action thereon.
