Members Absent: Vice Chair Terry Silverman

Others Present: Paul Grasewicz (applicant representative; Graz Engineering); Greg Johnson (Abutting property owner whose land is involved with the Boundary Line Adjustment)

The Planning Board met at 16 Ice House Point Road at 5:30pm to conduct a site walk for a Boundary Line Adjustment. The property owner – Tousley Family Trust – was represented by Paul Grasewicz. The abutting property owner, whose land is involved with the Boundary Line Adjustment was also present.

Paul Grasewicz explained the purpose of the Boundary Line Adjustment and the history of the property. The Attendees toured the area of the proposed adjustment, viewed the present Lot Lines, and walked the Shoreline and Pump House area. Mr. Grasewicz answered questions pertaining to location of lines and Pump House.

The Site Walk took approximately 25 minutes.

Respectfully Submitted,
Robin Peard Blais
