Dear Residents,

Thank you for the continued support and trust as we move forward through these challenging times. Today, Monadnock School District announced their initial plan on providing meals to the students of the Monadnock Region. Please refer to the Monadnock Regional School District website for updates at [mrsd.org](http://mrsd.org). If you or any residents you know require assistance accessing these meals, please contact the Fire Department at 585-6561 for guidance.

We are currently compiling a list of volunteers that will work with the Emergency Management Team to assist residents with various needs that may occur. If you would like to be considered as a volunteer please contact me at [ffdchief10@gmail.com](mailto:ffdchief10@gmail.com). If you or anyone you know is in need of special assistance please contact me at the same email.

Friendly reminder, currently the Public Safety Building has restricted access. If you have questions or require assistance please contact us via phone or email.

Rest assured your Emergency Management Team is diligently working to stay informed and to continue to provide assistance. We will periodically update residents as needed through the town's website.

Please remember to practice the recommended guidelines from the CDC.

- Wash your hands often with soap and water or use hand sanitizer.
- Avoid touching your eyes, nose and mouth.
- Avoid close contact with sick people.
- Put distance between yourself and others (6 feet).
- Stay home if you are sick.

Sincerely,

Chief/EMD Adam Dubriske
