Minutes: Jun 5, 2019 approved

Suzanne filled in for Adrianna and started the meeting at 7:05pm.

Brochure: The brochure is currently at the printer and should be available soon. Members worked on a list of potential business sites for the brochure hoping for an easier distribution. Suzanne would like to assign locations to each member. Steve offered to visit the convenience stores to inquire if the brochure can be made available there.

Faire: Steve is trying to locate an email list of past vendors to help recruit the sponsors. Perhaps Caroline can provide that. Still looking for food vendors. Chelley contacted a few food trucks and they are already booked for that day.

CCC: Scheduled for August 26th. Chelley stated she could not hold it at the Inn due to another event. Crossroads was the next location discussed. Members felt we should hold off until the next meeting, perhaps having more information before approaching Crossroads. Members brainstormed on other possible locations in town. Some ideas included the Depot Train Station, the Swim Club, the pole barn, Meadowood, the common and the Library. Suzanne will reserve the Depot just in case. This will be a meet and greet with the Faire vendors, local businesses and Fitzwilliam residents..

Next meeting: July 1st

Meeting adjourned at 8:05pm.
