**Break-out Sessions**

**Topic 1: Population and Housing** [Morning Session available by Zoom]

This session will discuss current and future housing needs, including the type of housing and the infrastructure to support the community/economy and the locations/areas in which they should be allowed.

Facilitator: Nolan Buonomano

**Topic 2: Economic Development** [Morning Session available by Zoom]

This session will discuss what sort of economic goals would suit Fitzwilliam given our strength and weaknesses. Discussion would include what sort of businesses, industries and/or infrastructure should exist in town and the locations in which they should be allowed.

Facilitator: Steve Reinhart / Beth Lorenz

**Topic 3: Arts and Culture** [Morning Session available by Zoom]

This session will discuss the impact culture and the arts would have on the future of the town. Discussion would include educational, enlightening, entertaining, or artistic projects or priorities designed to integrate the arts into everyday life and to strengthen the quality of life and character of Fitzwilliam.

Facilitator: Robin Marra

**Topic 4: Conservation and Natural Resources** [Afternoon Session available by Zoom]

This session will discuss the natural resources and conservation land in town and how best to utilize these resources for the benefit of all. Discussion would range from how best to prepare for potential natural hazards to protection and/or use of natural resources.

Facilitator: Paul Kotila / Rick Brackett

**Topic 5: Youth and Education** [Afternoon Session available by Zoom]

This session will discuss all aspects of youth and education. Discussion would include existing recreational and educational areas and look to future needs of the community.

Facilitator: Sarah Short

**Topic 6: Historic Preservation and Heritage** [Afternoon Session available by Zoom]

This session will discuss the historic nature of Fitzwilliam and how best to preserve our cultural and historic resources. Discussion would include potential projects or priorities to improve historic preservation.

Facilitator: Dan Sutton
