Members Present: John Fitzwilliam, Chairman; Ken Beckwith, Vice Chairman; Bill Davis and Marcia Camden, Members.

Others Present: Mark Sandri.

Call To Order The Chairman opened meeting at 4:00

Sandri Application 4:00 PM.

Camden asked Sandri if the shed would match the color of the house. Sandri responded that it would not and that it would stay unpainted. Beckwith discussed that the Rhododendron bush in front of the house would help to screen the proposed shed.

Sandri showed the Commissioners pictures of the property and discussed where the shed would be located and described dimensions of it. Beckwith asked about the dimensions of the corner posts and Sandri responded that he was overestimating the size of the posts he would need, just to be safe.

Camden noted that the size of the corner posts could be useful in the event of a heavy snowfall. Camden and Sandri discussed that the roof of the shed would be painted to match his house, clarifying that it would be a metal roof.

Beckwith moved to accept the application by Mark Sandri, Davis seconded, and the Commissioners agreed unanimously.

Minutes from February 9, 2018: The Commissioners reviewed the Minutes from February 8, 2018, Fitzwilliam noted that there was an extra apostrophe on “Members” and “Others”. Camden moved to accept the minutes as written, Fitzwilliam seconded, and the Commissioners agreed unanimously.
